### **Club History;**

1977-78 President Ron Beesley

#### **RI Theme: "Serve to Unite Mankind"**

Two projects were most outstanding for which our Club was awarded 2 trophies at the 971 District Conference, the District Significant Achievement Award for organising the Rotary Student Exchange Safari and the District Community Service Award for the Dental Health Fluoride Project.

The work Experience Project in co-operation with the local high school continued.

We installed the "Life Line Lights" which provides a flashing red emergency light in the window of medically approved persons in case of a serious emergency.

We supported the Medical Centre in Ducca, Bangladesh with a donation of \$150.

For the New District 971 we donated a trophy for the annual competition amongst its Members.

**From The Sixties: Club meeting parting song** (which was followed by the National Anthem):

Parting Song: "END OF A ROTARY DAY"  
 Now we come to the end of a Rotary day,  
 Which will long remain in our thoughts,  
 And so we go each our separate way,  
 With the joy that this day has brought.  
 For Rotary means sharing at work or play,  
 And friendship never fails;  
 So we clasp at the end of this Rotary day,  
 The hand of a friend we have made.

**PP Geoff Muir has spent two weeks in Nowra Private Hospital; he had a full knee replacement. Geoff is now home, his recovery is slow, I am sure he would love a phone call. Thank you Dale Wilford for your nice phone call and your best wishes to Geoff.**
