2 minutes with Issa Shalhoub;

My earliest memory is... Can't remember as Alzheimers has set in
My first relationship was with...Paris Hilton; I don't like talking about... My relationship with Paris Hilton; My most treasured possessions are...My Family; In movie of my life I would be played by... Omar Shariff (my cousin) I wish had...No fear of heights....I wish I hadn't.. agreed to do this 2 minutes with. My most humiliating moment was...Falling over while learning to Ski; I am happiest when...I am on holidays; My guiltiest pleasure is...Paris Hilton; My last meal would be...Crispy bread, cheese & Pate'; I am very bad at...Cleaning windows; If I could change one moment of my life, it would be...Change my relation with Paris to Shakira; If I wasn't me I'd like to be... Me; My worst job was...Never had a job; If I could live anywhere I'd choose...Where I live; My worst trait is...Being a softy; My best trait is ...Helping the Community through Rotary; My greatest fear is ..Heights; The hardest thing I have ever done is...Trying to Ski; I relax byworking on my laptop; What I don't find amusing is ... Dying; I often wonder....What will tomorrow's technology be?
