Last Week

44 Club Winner, as announced by PP Brian Johnson, was PP Dick Crouch.

Attendance: over 52 Rotarians, families and of course Elin Ek.

An excellent meal and bowling night at the Dunn Lewis Complex.

Thanks to Peter Culham for arranging the night.
Thanks to PP Dick crouch for coordinating the bowling teams.
Thanks to PP Rob Powell for organising the drinks.
Thanks to Gayle Dunn, Calvin Hackett and the Dunn Lewis Complex for the use of the centre.
Also thanks to Gary Hackett and Karen Hackett for food catering and serving.

On a sad note, PP Keith Greenwood's mother passed away.

There will be no meeting next Tuesday (Melbourne Cup Day), please note that the Club needs you to help, at the Golf Club, with our Calcutta on Monday 1 November from 5 pm.

Snippets from the November 2010 issue of "Rotary on the Move"

The Newsletter's November issue hasn't been published yet, so be the first to read an example of what it contains:

Simple, Practical, Achievable, Easy Strong Support available for every Club. "Reach Out" ... "Building Communities"

... Generally people stay quite attached to specific programs in Rotary like our Youth Exchange program. I feel it is an obligation to always give a wider perspective of Rotary to all we meet – to all with whom we have contact. This includes both Rotarian families and others...

Article by John G. Thorne, Past Director of Rotary International

Rotary Leadership Institute (RLI)

... To see a Rotarian make the transition from a quiet, non-participating club member, to an involved, enthusiastic leader, is one of the greatest satisfactions for any of us, and consistently, this is the gift that facilitators receive watching their RLI graduates move from "being in Rotary" to "becoming Rotarians".

Paul Harris handed us the torch of Rotary when we were inducted. It is our responsibility as Rotarians to do everything we can to ensure, not that it just burns brightly during our lifetime, but is handed on to future generations to burn with even greater intensity ...

**Article by PDG Cathy Roth, Intl. Regional Vice-Chair of RLI
ANZO, Australia, New Zealand, Oceania**

**" We want clubs to be assured that they are the most
important thing in Rotary,
if we don't take care of the Clubs, the Clubs won't take care of
Rotary International "
RI President Ray Klinginsmith**

Australian Rotary Conference 2010 Presentations

Thanks to Rotary Down Under, PowerPoint and MP3 audio files of most speakers at the Conference are available on line.

"Rotary Charters first Club in Nauru – Congratulations"

... The Rotary Club of Nauru was chartered on Tuesday 28 September 2010 ...

... His Excellency, George Fraser, Australian High Commissioner to Nauru, said that he had seen first hand how Rotary could be a powerful agent for good in communities.

"Rotary has a record of successfully establishing institutions such as the blood bank in Bali, rebuilding lives through facial reconstruction or cataract removals and building the future through developing young leaders through the Rotary Youth Leadership Award program," he said.

"In Nauru, I can see how Rotary will be a catalyst leading importantly to strengthening the national society through building the concept of volunteering, or 'service above self' as Rotary's motto states," His Excellency said.
