Bob White thanked all Club Members who worked on the Australia Roster at the Surf Club well done guys. It was hot and I am sure everyone wanted to be in another place?

Wayne Fry was the Fines Sergeant and worked very hard to extract as much as he could from limited numbers in attendance.

Almoners Report It was suggested the Werner Pohl was not the best. Onya Werner get well soon!

Guest Speaker Bart Salafia

Past President Chris Neale Rotary Club of Bomaderry **Assistant District Governor 2011-2012**

Chris came to the meeting tonight to introduce himself as the appointed Assistant District Governor for 2011-2012. Chris comes from the Bomaderry Club and wanted to offer his services to the Club. His current job is as Secretary of the Bomaderry Club. He was to be President again but due to the commitment to the Assistant Governor role he will remain Secretary.

Chris advised the upcoming PET days are, for the first time, a joint effort between 3 districts and being held in Liverpool. The other change to reduce the cost of people coming to Sydney is that all the delegates will be home hosted. This will allow for closer bonds being established between Rotarians from across different Districts.

He further highlighted that the District Club Assembly will be held in Nowra on April 30 & May 1 and that he was looking for a great support and response from our club to attend that occasion

Marriage of Figaro

Issa gave details of where and how the Club will need to be involved with the upcoming presentation of the "Marriage of Figaro" Due the logistic of several locations in the city it was finally agreed that the presentation would be held at the Shoalhaven School auditorium on March 26.

Our clubs needs to;

Promote the event by word of mouth to get as many there as possible.

Provide the man power and resources on the day to maintain crowd control and car parking etc.

The event could turn a major profit for us if we ALL jump in to help make it winner.

PDG Phil Mewett

PDG Phil addressed the club on the enormous impact the Rotary Foundation has on world events. Phil this year and for the next few years is the Rotary Foundation Chair for the district. He and his wife, as an example to the Foundation, each pay \$ US 1000n to achieve the status of being a "Paul Harris Society" member!. He further added that he has 2 children each of whom are "Paul Harris" Fellows as are his grandchildren, indeed providing a film slide with the new born and his Paul Harris certificate.

Phil added that our own Werner Pohl and his wife Margaret, over the years, have contributed significantly to the PH Foundation.

The Rotary Foundation has achieved many milestones though out the world and is dependant on members making a donation. Phil earnestly sought our clubs participation in the Centurion program where each member donates \$US 100 each year. The cumulative effect of this allows the club to nominate PHF's from the funds submitted as the collective contributions go into a kitty on behalf of our club.

Phil provide us with a statistic which suggested that our club was below the District average in terms of contributions and asked if the board could reconsider their future donations in terms of making the foundation a priority.
