Last week's meeting:

Vice-President PP John Hozack said that Dale is progressing well.

Clive Cross toasted Botswana for their Independence day 30 Sept.

Jeni Wilkins and Keith Coulston spoke on Apprentice of the Year.

Geoff Muir said that there will be a RAM presentation in a couple of weeks re Mosquito Nets.

Clive Cross and Issa Shalhoub talked about the Safe Moneyboxes.

Before we sell the idea to D9710 Clubs and then to all Australian Clubs, we need to sell it to our members, we can then go to the Conference in Canberra and tell attendees that all our members purchased a moneybox.

\$10 each, which represents an instant profit of \$8, plus the cash collected in the moneybox.

It is that Simple.

Our Club expects each member to buy at least one moneybox (as it was agreed by all, weeks ago), and would like helpers on Sat 22 Oct in Canberra to distribute moneyboxes to all D9710 Clubs on the day, maybe car pooling.

Clive and Issa have spent countless hours organising this project, don't let Clive chase you, PLEASE see Clive with \$10 in hand.

Bring your money and please volunteer for the Conference.

Graham Fisher needs approved traffic controllers for the Oct long weekend and helpers for the Jumping Castle.

Thanks to all the helpers (Jumping Castle). Thanks to Bob Lawson and Bob White for organising the roster.

Card Raffle winner was Alison Tyquin 5 ♣

Guest Speaker Ollie Barrington

gave an informative talk on photography and its history.

Ollie spoke on the first photo taken in 1822, with eight hours of exposure, high speed photography in 1880, 1975 saw the introduction of digital photography, then appeared the macro photography followed by microscopic one, 360 degree panoramas, slow shutter speed and the very high speed photography.

Ollie talked about the big moments in photography, the photos that changed the world, and the famous photos.
