**This Week (18 October)** TAFE Dinner \$35 per head

**Last Week (11 October)** The club was enthralled to hear Jenny Cantrill give a talk on her return to the battlefields of France and Belgium from the WWI. Jenny has always had an overwhelming desire to explore the areas that her father fought in during the war. She and Robin have been overwhelmed by the sadness, starkness and the past horror of that human catastrophe. It is always sad to hear about the privations of our fathers who fought in that campaign from both sides of the conflict and the unrecognized personal traumas that the returned soldiers must have endured. To offset this Jenny commented on the beautiful countryside that now offers itself to visitors and the wellkept memorials to the fallen. **LEST WE FORGET.**

**Reports** Welcome back to the club to John Ruggiero and Ross Wade;

Dale is keeping up with club issues and hopes to attend the TAFE evening.

**District Conference:** Members are required to assist the club to manage the distribution of the Polio eradication moneyboxes at the coming Rotary Conference at Canberra 21 – 23 October.

**HARBOURFEST MASQUERADE BALL** 29 October \$85 per head

**CALCUTTA 2011** Rob Powell reminded us of our commitments to that regular Rotary function.

**RAFFLE:** John Coburn **DALE WILFORD AWARD:** Graham Fisher

**PAUL HARRIS** - congratulations on turning 50 years 12 October !!!!!

**Life is a Game of Cricket.....**

He received his first Test Cap, and in the dressing room he said to the more experienced player: "Hey, this cap is too big for me."

And the player replied: "Just make sure it stays that way, too"

**QUESTION:** Computers are like air conditioners. They work fine until you start opening windows.

*Two truckies are trying to drive under a bridge. The first driver says, "Oh, no. The height of the bridge is 2.7 metres and our truck is 3 metres high."*

*The second driver says, "Ah, don't worry. Just go. There are no cops around."*
