**Margun Carless** reminded the club about the organisation and responsibilities to be upheld by the club at the Masquerade Ball held Saturday 29 October and the Harbour Fest Weekend coming next Saturday.

As part of the open committee session the club endorsed the action of the Club in supporting the local BINGO program to be trialled soon at the Mollymook Golf Club. Graeme Fisher will be the Rotary Liaison Officer for the program.

Two fishermen are talking about their weekends. One says to the other, "I am never taking my wife fishing with me again."

"That bad, huh?" says the other.

She did everything wrong! She talked too much, tried to stand up in the boat, baited the hook wrong, used the wrong lures and worst of all, caught more fish than me."

**Don Turnbull and Mick Doolan** from the local Rural Fire Service receiving their special award for service to

the community from our own Rotary Club.

Sir Don is strolling across the hallowed turf of Adelaide Oval in his famous interview with Ray Martin Ray asked: "Sir Donald, how do you think you would fare against today's English bowlers?"

Sir Don replies, "I would probably average between 50 and 60."

"Ray says, "But, Sir Donald, your test average is 99.94." And the great man replies mischievously, "But, Ray, you must remember I am 86 years of age," as he stroked his chin and began to smirk.

What is round and badtempered? A vicious circle.

**Many thanks to Rob & all those members who supported the club at the Calcutta October 31**
