Thoughts for the Week:

There is no point about arguing about matters of taste

The road to excellence is always under construction

President Dale started the meeting with advice about a comment made by a former visitor to the club in that he felt that some comments made during the meeting were out of keeping with the professional nature of the club. Rotarian members are encouraged to be more professional and circumspect about their comments during open meetings.

Secretary reminded the club about an upcoming meeting with Joanna Gash and Bronwyn Bishop. Further information about the meeting to be held at Nowra can be obtained from the secretary.

Treasurer Keith advised the club that the card jackpot prize is now \$275 and that district dues will rise by 3-4% in the next Rotary year.

Brian Morrison noted the Blessing of the Fleet Ball to take place 24 March. A lot of help will be required on the Friday and Saturday to ensure that the evening runs smoothly and productively. Assistance will be needed for security, ushering, bar and cleanup after 11:00pm.

Clive Cross made an international toast to Ghana.

Rob Powell thanked all members who assisted at the recent Milton Show.

Club visitor Brian Harrington from Deniliquin gave us some information ads to programmes being held at their club to assist local foster carers.

Guest Speaker Damien O'Mahoney an architect with English and Scottish qualifications gave an interesting review of the styles of architecture he has encouraged around the world that used sustainable, modular furniture with 8-10 environmental ratings.

Sargent Rob made a good series of fines on various members during the evening.

Attendance 92%

Card Draw: Ken Matthews 8 Hearts
