The Respite Care needs of carers of children with disabilities is a very important programme that needs addressing in our community.

The JINDELARA respite care project will seek to gather support from the local community as well as government sources to establish a centre within the Ulladulla district that will assist the respite needs for carers.

The Rotary club looks forward to becoming another supporter of this project.

Maggie Purvis and Christina Wilkins along with James Cox (absent) recently attended the Rotary RYPEN camp at Canberra.

Both girls acknowledged the excellent time they had at the camp and thanked the club for their opportunity. They had met some interesting people and heard challenging messages.

LAST WEEK

Clive gave a rundown of the results of the recent Rotary Dinner held at Canberra to welcome the International RI President. Over the course of the dinner Clive and Issa were able to interest RI in the Polio Money Box Project. 400 boxes have been distributed to guests and 90 were taken up for donations to Polio eradication. This programme will become highlights at later Rotary events.

Clive also gave an international toast to Azerbaijan, and the acknowledgement of the aboriginal peoples of Australia.

Guests included Liz Fondacaro, Keith Purvis and Rob Healey (visitor)

Being the end of the year there were few reports of note from the various directors.

Brian Morrison made note of various projects that will be referred to the board for consideration for donation.

Honeywell Science Forum (\$695);

District Science Forum (\$300);

National Youth Science Forum and

Outward Bound camp experience for Ulladulla High School Students (\$1140)

Jeni gave a review of the progress to date of the plans for the Business Awards evening to be held in August.

Rob Powell and Phil Brown thanked helpers over the past weekend on the occasion of the Car Swap Meet. The Steak Bar raised \$2000, the entrance fees raised \$8000. 86 stalls were set up (last year 75) and 1027 visitors came (last year 920). (there will probably be costs incurred to the value of \$700)

Card Draw: Congratulations President Dale for finally drawing the joker.
