**Last Week**

**President Dale** welcomed the guest and visitors namely Jenny Cantrill and Malcolm Slater a Rotarian from Torquay, Victoria. Later in the evening Malcolm gave the club a picture of his own club at Torquay and the various schemes that club uses to reach the community and generate money for community causes. It is interesting to note the common features of difficulties in encouraging younger members to join the club.

**Phil Brown** made mention of a special citation that Shelley Hancock MP gave the club in Parliament House recently. In particular she praised Phil and Wayne Fry and all other Rotarians who worked so hard to ensure that the Blessing of the fleet festival was as good a success as possible. This is a wonderful accolade for our club.

The **Shoalhaven City Council** has seen fit to grant the Blessing of the Fleet Committee an extra \$3500 for the past 12 months and has recommended an annual donation of \$13,500 to assist in meeting costs for the festival.

**Phil** also mentioned the recent Ulladulla Community Forum at which he was able to outline the manner in which the Rotary Club works within the community and to suggest ideas for the Rotary's vision for our community.

**Community Service:** The long weekend will see a need to set up the Rotary Jumping Castle at Milton Saturday and Sunday. Volunteers were sought for assistance.

**Keith Bennett** advised that subscriptions will be due in July for the 2012/2013 Rotary Year and that due to unique circumstances the fees have had to be raised.

Card Draw was won by our friend from Torquay who drew the King of Spades and not the joker!

**John Katsoulis** the guest speaker enthralled the club with his history of movies over the year with particular emphasis on the technologies available. You could sense the memories rolling by for the members who remembered experiences at the local cinema in the fifties and the drive-ins during the sixties. John outlined his cinema's plans for the next few years and invited members to share in the social thrill of the movies.
