### **"What keeps us going?"**

The first step to turn a new club member into a committed Rotarian, is helping that new member to get involved.

Every Rotarian in every club should know that he or she is not only needed but relied upon. Every Rotarian should have a job within the club – a role to play. After all, why are we in Rotary?

We are here to make a difference. Yes, we enjoy our Rotary service, but that is not enough if we are to make Rotary a priority week after week, year after year.

The knowledge that we are having an impact, that we are changing lives – that is what keeps us going, no matter what other demands may compete for our time.

**Past RI President Kalyan Banerjee.**
