RYPEN students addressed the Club; they attended the Mogo camp, had group activities, listened to guest speakers: a psychiatrist who talked about mental health, a blind lady who made them appreciate life even more, had dream time stories, they all had a great time, will never forget the experience, and made lots of friends. **Outward Bound students** talked about their experience at the Camp which helps them discover, develop and achieve their full potential. They spent time out of their comfort zone, went abseiling, rock climbing, learnt new skills and also made lots of friends. All students thanked our Club for giving them the opportunity to attend.

District Conference, Batemans Bay, 27 Oct 2012

Excellent hospitality, keynote speakers and friendship. Members, a partner and a son enjoyed the fellowship, had the chance to meet old friends and make new ones. Most District's Clubs were represented as well as the District's Rotaract and Interact Clubs. Our Safe Moneyboxes were on display, eradicating Polio is very close, but to achieve total eradication, with only 1% remaining, will take time and more money, maybe as much money as for the 99% already reached.

Good attendance. Back to the Beach theme
