Meeting 22 Jan 2013

PP John Hozack chaired the meeting, welcomed all and specially our guests; Jenny Cantrill, Alf Rowen and Leonie Smith.

Clive Cross toasted Australia.

Clive spoke on the Safe Moneyboxes project which will be advertised at the PETS meeting and will be taken to other Districts, he also mentioned Mosquito Nets, Eyes for Africa and Cambodian School projects.

Dale Wilford thanked **Leonie Smith** for the Curry Night which raised \$400.

PP Phil Brown asked for volunteers for the Jumping Castle, Sat 26 Jan at the Mollymook Park.

Phil thanked **Jeff Franklin and George Chittick** for their help with a BBQ for the 'Myrtle Street Early Learning Centre' open day, which raised \$72 for our Club.

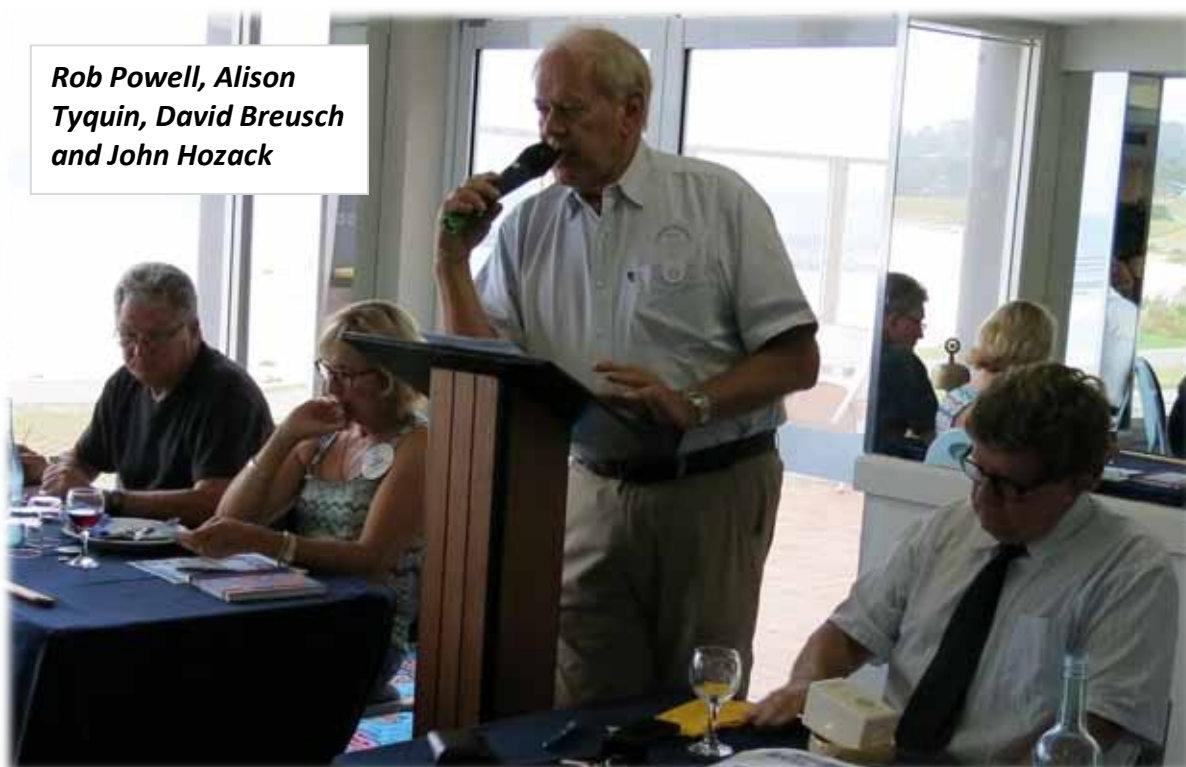

Best wishes to **Keith Bennett**, not well and **Michael Mastronardi** who had a knee operation.

Clive Cross, David Breusch, John Hozack, Maurie and Jeiji Abbott.

44 Club winner was Peter Campbell

Card Raffle winner was John Hozack **QU**

Rob Powell, Alison Tyquin, David Breusch and John Hozack

The Club had two very interesting **guest speakers**, **David Breusch** and **Maurie Abbott**. Visiting Rotarian David from the 'Rotary Club of Armidale Central' spoke of his interest in the Rotary Cricket Fellowship tours. He has visited many countries including India, United Kingdom, Sri Lanka and South Africa. Apart from playing and watching cricket the teams were involved in fund raising to support different projects in the countries that the Rotarians visited. The team that visited South Africa helped to raise money for children with AIDS.

Check the RDU Dec-Jan 2013 edition for the full story and photos, front cover and page 12.

David also stressed the importance and benefits of attending the Rotary International Convention, in 2014 (1-4 June), which will be held in Sydney at the Olympic Park.

Maurie and his wife Jeiji have recently purchased a winery at Bawley Point, the Bawley Vale Estate winery. They are in the process of producing quite a few different varieties of wines. Maurie spoke of their 'part of heaven' with their vines, trees, grassed area, deer, geese and a pair of guinea fowls. They host a jazz group on some Sunday afternoons so it is a place to visit with families. The bad news for some of the deer is that they may end up as another product of the farm; venison.

Thank you Robin Cantrill for writing the guest speakers' article for the Bulletin and the Times newspaper.

End of meeting report
