Membership, Psy and RIP Message;

Extracts from the upcoming 'Rotary on the Move' Newsletter, March 2013 edition.

Why do members leave Rotary?

- We may bring in the wrong members.
- In some cases, as soon as someone shows up at our doorstep, we invite them to join.
- That's like hiring every job applicant.
- When we do bring in the right member, we often don't give them a reason to stay.
- We don't involve them and fail to make them feel a part of our organisation.

In Rotary the reward is not financial. It is personal.

South Korean pop star Psy, world renowned "Gangnam Style" video, has joined the growing roster of public figures and celebrities participating in Rotary's "This Close" public awareness campaign for polio eradication.

"I grew up in a Rotary family as my father and my late grandfather were Rotary members. My grandfather was very passionate and dedicated to Rotary," Psy said. "He had a big heart and always inspired me to help others."

Service Above Self. We (Rotarians) are choosing to put other people's needs ahead of our own desires. We are saying, "Your problems are my problems, and I care enough to help you."
