“Hat Day”

From Hat Day [website](#)

As it appeared in my Aug 2013 edition of 'Rotary OnThe Move'.

Hat Day is Australian Rotary Health's community action and awareness day. In recent years we have received hundreds of grant applicants looking to research mental health issues, however a lack of funding has seen only 5% of these receive funding.

Australian Rotary Health will be hosting their next Hat Day on Friday the 11th of October. Do something to show your support for mental health research and reduce the stigma of mental illness in Australia?

We're encouraging everyone to Host their own Hat Day during Mental Health Month (October). It could be a morning tea at work, a fancy dress day at school or a dinner at home. Get your family and friends together to lift the hat off mental health issues in Australia.

By taking part in Hat Day you will be helping the four million Australians affected by mental illnesses. By donating to mental health research you are helping us fund research aimed at finding treatments and cures for mental illnesses such as depression, anxiety and schizophrenia.

2013-14 Subs are due:
