We have to make sure that every Rotarian, in every club, has a meaningful job.

RI President Ron Burton, message Aug 2013, RI [website](#)

We're going to make sure that the work we do in Rotary is solid, effective, and sustainable. And we're going to make sure that Rotary itself will last – by committing to our goal of 1.3 million Rotarians in our clubs by the year 2015.

That goal is a little different from membership goals we've had in the past. The goal isn't just bringing in new members. The goal is growing Rotary. The goal is making Rotary bigger, not just with more members, but with more involved, engaged, motivated members who will be the ones to lead us into our future.

Each of us has our own reason for joining Rotary – but I believe we all want to make a difference. We all want to be doing something meaningful. That is absolutely essential for us to remember when we talk about membership.

We're not asking just anyone to join Rotary. We're looking to attract busy, successful, motivated people who care. We're asking them to take their valuable time and give it to Rotary. So if they say yes, and they come and join our club, then we'd better be showing them that their time in Rotary is well spent.

We have to make sure that every Rotarian, in every club, has a meaningful job – one that makes a real difference to the club and the community. Because when you're doing something meaningful in Rotary, Rotary is meaningful to you.

“Wear your Rotary Pin”

IPRI Tanaka's Message; January 2013

The Rotary pin is always on my lapel. It is there because I am proud to be a Rotarian. Anywhere I go, people will see the pin and know who I am. Other Rotarians will see it and know that I am a friend, and people who are not Rotarians will see it as well.

This is why I am asking all of you to wear your Rotary pin and to raise awareness of what the pin means. I believe having that pin on your lapel changes you. It makes you think more before you speak and before you act.

All of us should be ready to talk about Rotary. When someone asks you about that pin, you should be ready to answer them. What is Rotary? What does Rotary do? These are questions that each of us should always be prepared to answer.

We cannot go to prospective members and ask them to join Rotary only because we want more members. We have to show them that Rotary is a wonderful organization, and that they will be happier because they belong to a Rotary club.

Tickets for the D9710 raffle are available, please see Peter Culham.
