## Report on 22 October 2013 meeting;

### TAFE Student of the Year and Hat Day;

**Guests:** Lawrence Michael "Mickey" Scott and Marney Scott, Mary Davidson (TAFE student of the year), Irene Thomson, Stephanie Goggins, Myron Bosak, Jenny Cantrill, Heather Lodge, Suzanne Dainer and Maisie Bennett.

The members and guests enjoyed a night at 'TAFFIES' where they were dined by students who are studying the catering, cookery and hospitality courses at the TAFE College at Ulladulla.

Rotarians and guests enjoyed a delicious three course meal prepared and served by the students, and wished them all the very best in their future.

The main part of the night was the presentation of a trophy and perpetual shield to the TAFE student of the year, Mary Davidson.

Mary was an outstanding student the Horticulture Course. Her course involved plants studies, plant propagation as well as brick and paving laying. Mary's teacher Malcolm Salmon said that Mary has recently completed her Certificate III in Horticulture, during her time at TAFE, Mary was an exceptional student in all modules. Mary was an inspiration to the other students.

The night also included a parade of very different types of hats to raise money for Mental Health. The hats represented hats collected from near and far as well as a group of composite hats that were worn by Rotarians. There were no fashion statements as such but tended to fit into the 'unable to make a decision about their hats category'. It was very pleasing to see so many members enter into the spirit of the night. The top milliners in Australia will rest more easily in their beds now.

**Thank you Robin Cantrill for your article.**
