Guest Speaker Melanie Louth Melanie has two roles within the Milton Ulladulla Business Chamber, she is the Office Manager and the point of contact for members and also handles the social media, monthly members events and more recently the Newsletter.

Eighteen months ago Mel was involved with The Regional Excellence Team, a focus group comprised of local business operators, in which a large focus plan was devised. Linking individuals and the business community together, it provided an opportunity to up-skill individuals in social media, with master classes and financial analysis, resulting in recipients attaining a Certificate 4 in Retail Operations. Project based learning with High School students being the key to engage the students.

The Milton Ulladulla Business Chamber meet every second Wednesday of the month. They hold 'Business After Five' events, which different local businesses gain an insight behind the scenes. They also hold workshops with different themes. Dinner meetings with special guest speakers are also held.

There is a current 'Human Library' project underway, where older members of the community share their knowledge and skills with our youth through interviews. These interviews are then edited by the students and put on YouTube. A showcase of these interviews will be screened at the Milton Ulladulla Ex Servos Club on the 17th of March 2015.

The Milton Ulladulla Business Chamber would also like to open up future opportunities with our Club.

Thank you Leonie Smith for the guest speaker's article. The full article is in the Times and on Facebook (plus more photos).
