"HUANG BIDS FAREWELL"

From RI Weekly, 12 June 2015, By Ryan Hyland Rotary News

RI President Gary C.K. Huang joined RI PE Ravindran on stage to exchange club banners, a convention tradition that unofficially marks the changing of the guard, on 9 June in São Paulo, Brazil.

Huang told convention goers that it was an honor to serve them as Rotary president, he talked about the projects he visited all over the world during his term, and how much they inspired him.

"Each time I witnessed projects, I always wondered: How many lives could we change for the better by bringing more people into Rotary?" We know great things don't happen by themselves. We have to constantly challenge ourselves and others, and push the boundaries. **Sometimes, all it takes is to ask someone to join Rotary.**

"Rotary has shaped and changed my life," he added. "I want to use my story to urge Rotarians to continue to welcome promising young people in your communities and to take care of those who need a little push from us. Someday, those we have helped might become a future president of Rotary International, or a successful businessperson, a mayor, or the president of a country. Within Rotary, anything is possible."
