**FYI: REACH ONE AND KEEP ONE.** As per DG Rowley Thompsett.

In Rotary we don't have a recruiting problem; we have a retention problem. Ten years ago we were an organisation of 1.2 million Rotarians, and today we are still an organisation of 1.2 million people, during those ten years we have recruited over one million Rotarians ... and lost the same number!

New members should be mentored and involved in the fabric of the Club ... not left to fend for themselves.

**"MEMBER BENEFITS PROGRAM UNVEILED"**

*From RI Weekly, 12 June 2015, by Ryan Hyland Rotary News*

RI President Elect K.R. Ravindran introduced a member benefits program at the 9 June closing session of the 2015 RI Convention, saying that many more hands are needed to continue Rotary's work around the world.

The program, [Rotary Global Rewards](#), aims to boost membership and enhance member satisfaction. It will debut on 1 July.

"Hundreds of businesses and service providers, from around the world and that number is growing, will offer Rotarians discounts and concessions on the everyday business that you do. And, in many cases, not only will you benefit, but our Foundation will as well, by receiving a contribution with each transaction.

It will be another way to benefit from being a Rotarian and being part of the Rotary network, I urge all of you to become a part of that scheme." said Ravindran.

The program will include discounts on car rentals, hotels, dining, and entertainment. Discounts on more products and services from companies worldwide are expected to be added throughout the year.
