PRESIDENT'S REPORT

Looking back over the past twelve months the first thought that comes to mind is: where did it go. My year as President of your Club has been very busy. However, with the support of the Board and the Club members it all just seemed to happen. My special thanks go to the Secretary and the Treasurer (my right and left hands) Ali Tyquin and Carolyn Campbell, without your efforts the Club would not function. The Board has operated as a team with the best interests of the Club as their primary objective. Their work behind the scenes is greatly appreciated by me in particular, but also by all of the members.

Any Rotary club is only as good as its management team. Therefore, a successful club means an effective Board is at the helm. The other members of my Board have been:

- Club Service Bob White
- Community Service Phil Brown
- Vocational Service Jeni Wilkins
- Youth Services Yvonne Young
- International Services Craig Cameron
- Immediate Past President Michael Mastronardi.

During the year we lost 3 members. The passing of Bernie Cowley was a sad occasion. Bernie was a long term member of the Club and a Past President for the year 2000-01. Also during the year two members resigned, but to balance these losses we have gained 4 new members.

Bold new steps have been taken by the Club over the past year. I started the year by trying out a new structure for the weekly club meeting. This proved less than successful, so after two months we reverted to the old system. The Club decided to initiate an annual Anzac Address which would be held at a meeting close to Anzac Day.

Working in conjunction with the Rotary Clubs of Nowra and Sussex Inlet we have introduced a new program under the guidance of Craig Saunders. This program is known as the Raffle Calendar which will return in excess of \$9,000 to local charities in the Milton Ulladulla area. Also in this vein of cooperative efforts we saw the return of the Combined Service Clubs Dinner. Our club hosted this event which was well attended by all of the local service clubs including Lions, Apex, 3 different View clubs and Rotary.

Over the past year we have taken advantage of the Visioning facilitation service offered by District to assist our Club in planning the future direction we want our club to implement. This was a very successful exercise which has subsequently initiated a planning cycle that will, during the coming year, see the adoption of a Business Plan for the Club.

It has indeed been a very busy year for the Club as a whole. We have enjoyed fellowship and good times at our weekly meetings and other social events. Our guest speaker program has been most enjoyable thanks to the hard work of Glenn Rowen. All of these activities and much more have been recorded and brilliantly reported by our Bulletin Editor, Issa Shalhoub. Blessing of the Fleet - As usual a hugely successful event and this success is largely due to the efforts of one man, Phil Brown. Thank you to Phil and all of your hard working committee including the Princess Ball committee, under the guidance of Dick Crouch. Thank you also

PRESIDENT'S REPORT CONTINUED

to all of the members of this club as well as Lions and Apex for the work they have put in to make this festival a success. This event just seems to get bigger and better every year.

HarbourFeast - Dale Wilford and his team did a fantastic job making this event an outstanding success. The Club's special thanks went to Leonie Smith (our newest member) for her long hours of labour. Without Leonie's expertise HarbourFeast could not have been so successful.

There are many other projects that have been run successfully during the year these have been reported by the various Directors reports. Just to mention some of these:

- The Business Awards under the guiding hand of Jeni Wilkins;
- Car Boot Sale and Swap Meet organised and controlled by Phil Brown;
- The Melbourne Cup Calcutta organised and run by Dick Crouch & Rob Powell.

There have been many projects and charitable organisations that we have assisted during the year, the Treasurer has already mentions some of these in her report. In addition to these there is also:

- | | |
|---|-----------------|
| • Milton Show Society | \$1,500 |
| • RI Foundation | \$3,000 |
| • Budawang School | \$1,000 |
| • Davenport Cottage | \$1,000 |
| • Dunn Lewis Foundation | \$1,000 |
| • Salvation Army | \$1,000 |
| • St Vincent DePaul Society | \$1,000 |
| • Mullala | \$1,000 |
| • Ulladulla Ambulance Service | \$1,000 |
| • Cancer House Milton | \$1,000 |
| • CareSouth "Aunties & Uncles" | \$1,000 |
| • Marine Rescue Ulladulla | \$3,000 |
| • Lions Ulladulla District Community Foundation | \$5,000 |
| Total | \$21,500 |

Well done my fellow Rotarians.

I would like to finish my report with a sincere thank you to all club members for your support during the year and finally to wish the incoming President Bob White and his Board every success in 2014-15.

Your President Brian Morrison

INTERNATIONAL REPORT

This year our club has provided financial support directly to the Somalia Crisis through ShelterBox Australia \$2,000 and also supported the Rotary Foundation and Polio Plus.

We continued the tradition of offering toasts to recognise International National and Independence days. I think these toasts provide some interest to our club members and occasionally even educated us.

Led by Rotarian Clive Cross we continued to be busy supporting the Worldwide Eradication Of Polio project. We have 200 money boxes set aside for our club to use for fundraising and as gifts for guest speakers.

Originally 5,400 moneyboxes were purchased and paid for by our club and all of the costs incurred have been recouped and money collected in the already distributed (approx. 2,400) moneyboxes. Clive Cross and Issa Shalhoub I believe are deserving of special mention and thanks for advancing this project to be as successful as it now is.

At the recent Rotary International Convention held in Sydney, Polio Plus took the remaining 3,000 moneyboxes our club purchased for distribution to attendees at the convention. This truly has become a national and international project. And each one of those little moneyboxes will continue to work 24/7 to help in the Eradication of Polio worldwide. Congratulations Clive and thank you for developing such a successful project for our club.

Craig Cameron

Club's Moneyboxes at the Rotary International Convention in Sydney, 1-4 June 2014.

CLUB SERVICE REPORT

The club has had another successful and busy year with good support from all the active members.

Membership remained stable with 53 members at the start and finish of the year. We inducted 4 new members but lost 3 with 2 resignations, one leaving the area and the passing of Bernie Cowley. Bernie was a long-time member of Rotary and was valued for his wise counsel. Our heartfelt condolences went to Phyllis Cowley.

Most members stayed well but with some health challenges for several members who all appear now to be on the mend.

Robin Cantrill continued the 44 club with an interruption due to some health issues. Meeting attendance and apologies were again capably handed by Peter Culham who was always there. Simon Brown and Jeff Franklin kept the meeting setup happening to keep the president and sergeants happy.

Our bulletin editor Issa Shalhoub has kept the members informed with his usual high standard, photographic skills and always on time. He was capably assisted by Robin Cantrill who also ensured good Rotary publicity. Issa also kept us connected with our website, Facebook page, organising printing and acting as club historian.

Our popular Jumping Castle was out and busy throughout the year with the hardworking Phil Brown organising our club workers.

Christmas Trees sales were again a wonderful club fundraiser with massive thanks to Tim and Genelle Gregory and family and all our club forestry workers. Garden Haven nursery again sold trees with proceeds to the club.

The club celebrated 7 years of running the Blessing of the Fleet under the chair of Phil Brown. Another sterling effort by Phil and all the committee. Phil also has run our successful annual swap meet since its inception.

Rob Powell and Dick Crouch with the good support of club members raised more club funds with our Melbourne Cup Calcutta.

Harbourfeast was a success with a good profit after some initial challenges. Congratulations to Dale Wilford, Leonie Smith and all the committee.

Sergeants Dick Crouch and Trevor Schofield continued to extract money, amuse and entertain us each week. Trevor Schofield also organised some enjoyable extra club social events as our social director.

Our long term support for the Life Education program continues with administration by Keith Bennett and van moving duties carried out by club truckies Peter Hughes, Roger Halls and Tom Law.

CLUB SERVICE REPORT CONTINUED

Glenn Rowen has had a great year organising our comprehensive club program with many interesting nights. He was also our raffle ticket seller.

Keith Bennett and Simon Brown looked after our property at the Ulladulla storage unit generously provided by Peter Hughes.

Thank you to Ulladulla Mens Shed who have provided us with timber bowls as gifts for guest speakers.

In summary a big thank you to all the club members who, week in and week out, do all those necessary, but often unthanked jobs needed to run our club.

As President Elect, June 2014 has arrived very quickly. I look forward with enthusiastic trepidation to the changes and challenges in my coming year.

Bob White.

COMMUNITY SERVICE REPORT

2013-2014 was another great year for Community Service. It has been very pleasing to have a good level of support for all activities. I don't think we were undermanned for any project this year.

On the 28th Aug Jeff and Sylvia Franklin together with Rose Brown and myself represented the Club at the South Coast Awards for Tourism Excellence at Shellharbour where the club was inducted in the Hall of Fame for our premier event The Blessing of the Fleet Festival.

The Jumping Castle has been busy with the following commitments:

- St Marys Primary School
- Milton Public School
- Mollymook markets
- Shoalhaven Anglican School
- Milton Timberfest
- Manyana Fundraiser
- Council Christmas picnic
- Ulladulla Childrens Centre
- Lions Australia Day

Many thanks to Keith Bennett for all his help delivering and picking up the jumping castle, arranging for repairs and a new winch. Thankyou Keith for the many hours you put into Life Education as well.

Many thanks also to Bob Lawson for arranging repairs to the Jumping Castle canopy and helping install the new winch.

Bookings were taken for the use of the Community Stage at the following events:

- Artfest
- Richmond PRA
- Timberfest
- Anglican Christmas Carols
- New Years Eve festival
- The Entertainers
- Scare crow Festival
- SAS fundraisers

Congratulations to Leonie Smith for organising the Harbourfeast Festival together with Committee members Dale Wilford, Yvonne Young and John Payne. The main event together with the lead up events (Ignite the Plaza and Locavore Dinner) were well attended and combined to make a profitable and enjoyable event for the club. The Harbourfeast Festival was held on 9th November and required manpower all day from 5:00am till 7:00pm, setting up, manning and pulling down (16 members and 6 non-members). Well done to all involved, it turned out to be a great success. We not only cleared the debt from the previous event but turned a profit as well.

COMMUNITY SERVICE REPORT CONTINUED

The club once again helped Tim Gregory sell his famous Christmas trees. Many thanks to Tim, Genelle and family for their generous donation to Rotary. Also thanks to those who helped fill the tree chopping rosters and to ex-Rotarian John Coburn for his help.

Simon Brown has been busy all year swapping banners on the main street flagpoles and arranging for maintenance to some banners knocked about by the winds.

Community service members once again helped with the annual Melbourne Cup Calcutta steered this year by Dick Crouch.

The Blessing of the Fleet was a huge success again thanks entirely to Sylvia Franklin's dedication. Thankyou Sylvia for making such a huge event run so smoothly. Also thanks to Jeff Franklin, Wayne Fry, Dick Crouch, Cathy Dunn and Allan McDonald for keeping this event rolling. Your volunteer hours are very much appreciated.

Other main activities this year were:-

- Weekly roster for cleaning of the barbeques at Rotary Park.
- Working bee at the Civic Centre to prepare and paint the Steam Wheel in conjunction with Bunnings.
- Manpower at the Milton Show steak bar.
- The Bowel Care project was again ably carried out by Clive Cross. Thanks Clive.
- Bar duties at the Blessing of the Fleet Ball by our RSA members and cleaning and security by many other Club members. Well done. This is a very worthwhile event for the young people of this town. A huge thankyou to Denise Fors, Lynne Chittick and Rose Brown for giving so freely of their time to make the Princess Ball a success.
- The Annual Milton Car Boot Sale & Swap Meet 25th May. Thanks to all members for their commitment to this event. It was a fantastic day and returned a good profit for the Club.
- Michael Mastronardi as usual took care of Driver Education on behalf of the Club. Well done Mike.
- Signs have been placed at the Rotary Park Barbeques requesting that they be cleaned after use.
- 5th Oct 2013 – The Club hosted a barbeque for the District bike ride fundraisers at Rotary Park.

Of course these events are supported by the club membership as a whole and I take this opportunity to personally thank all club members who have put their hand up when helpers were called for.

Phillip Brown.

NEW GENERATIONS REPORT

It has been a very busy twelve months for Youth Committee.

It all starts with RYPEN camps 6 students attending the September camp 2103 and 6 students attending the May camp 2014. All students enjoying their RYPEN experience.

In May we had the honor of four students applying for National Science Youth forum. Though none of the students were successful in attending, the National Science Youth Forum held in January 2014, one of the students Luke Brimacombe went on to attend the Honeywell Engineering Summer School in December 2013, Luke later returning to the club to speak on his experience at Honeywell Engineering Summer School.

The Youth committee assisted with the driver education programme in November 2013, through driving the vehicles donated for the day from Alan May Holden to Marulan for the students to drive at the Marulan Driving School.

The Youth committee made donations to the local Primary and High schools for their annual presentation days.

The Youth/Vocational committees were also honored to sponsor Jessica Kelly to attend RYLA in January 2014. Jessica also attend the club to speak on her experience at RLYA.

Again the club has sponsored the Outward Bound programme, this year we have increased our sponsorship of this vital programme in sending year nine students attending Ulladulla High School for a week of life changing experiences.

The Youth committee would like to thank the following, the Milton Ulladulla Taxi Service, Trevor Scholfield and John Goggins for their assistance in transporting the students to the RYPEN camps and the fellow Rotarians from the Rotary Club of Milton-Ulladulla for their continuing fundraising throughout the year. Once again thank you.

Yvonne Young, Youth Director, 2013-2014

VOCATIONAL REPORT

Our main event for the Vocational Service committee is the Rotary Club of Milton Ulladulla Community Business Awards. This was held on the 20th August last year at the Milton Ulladulla Ex Servos Club due to work being done on the Civic Centre and once again provided a showcase for the many outstanding business in our local area.

We decided to include 'Community' in the event title an acknowledgement of so many small businesses, clubs, community groups and individuals that contribute so much to our community through their expertise, tireless efforts and variety of skills they offer. It also gives entrants and sponsors a chance to network and enjoy what is a wonderful evening.

The Rotary Club of Milton-Ulladulla Perpetual Trophy of Excellence for 2013 was awarded to Mary Davidson who completed her Certificate 2 in Horticulture. Mary, who is only tiny, also did a course on bricklaying while doing this course, so it was a well-earned award! Mary received her personal trophy while the Perpetual Trophy is displayed at the TAFE College after the presentation.

This trophy was awarded to Mary at Taffie's Restaurant Rotary night and then again officially at TAFE's Annual Graduation Ceremony on the 20th March this year held at the Milton Ulladulla Ex Servos Club.

The winner of the Rotary Most Improved Student up to year 4 for 2013 at Ulladulla Public School was Jayden Granger, a stage 2 student. Jayden was awarded his certificate and a cheque for \$150.00 (which is managed by the school's trust fund for excursions or special events that Jayden can attend) at the schools presentation night on 10th December 2013. Thanks President Brian Morrison for presenting this award to Jayden.

A partners night at the Dunn Lewis Centre in April included bowling and dinner which proved just who had a good eye and those who didn't. Many thanks to Jessica Kelly at Dunn Lewis for making us welcome and provided a great venue.

Progress is well under way for this year's Community Business Awards which is to be held on Friday 19th September at the Milton Ulladulla Ex Servos Club with emphasis again on the Community. Supporting our Community who support us!

Many thanks to all the committee, Craig Saunders, Dick Crouch, Glenn Rowen, Wayne Fry, Freddie Simon (Ulladulla Times), the Business Awards Committee and all on the Vocation committee.

Jeni Wilkins, Vocational Service Director
