Report on 7 July 2015 meeting:

President Clive Cross, resplendent in Rotary regalia, introduced his theme for the year – FUN, FELLOWSHIP, NETWORKING and SERVICE and introducing a traditional meeting format. Clive's first meeting certainly hit the mark.

Certificates of Appreciation were presented to Jeni Wilkins and Issa Shalhoub by President Clive, on behalf of outgoing President Bob, for their spectacular efforts during and beyond 2014/15 as they were unable to attend the Change Over Dinner.

President Clive welcomed, President Elect, Terry Marchello's guest Glen Richards from the Community Forum.

Pres Clive outlined his agenda for the year as being focussed on increasing service activities, refreshing Rotary Park, enhancing One track For All, developing the Half-Court Basketball facility and called for ideas and suggestions from members.

Pres Clive recruited several pixies to distribute our fantastic new Club brochure to members as a vehicle to for introducing our Club to the public and potential new members. Make sure you pick up a few copies at future meetings. You will then have something to give people when talking to friends & members of the public that describes what we, as a Rotary Club, do in the community.

The International Toast, presented by International Director Cliff Workman, celebrated Rotary's Pacific Australian Cultural Exchange, ([PACE](#)). A good will program for 14 to 17 year old students from Pacific countries originally introduced by District 9690 in 1983

Past President Brian Morrison reminded members of the **Mayoral Gala** for Jindelara, 25 July at the Civic Centre, 'Christmas in July' theme, \$65 per person, the members list was circulated. **PLEASE advise Peter Culham if you are or are not attending**

Dale Wilford & Leonie Smith informed members that **Harbourfeast Committee** has reached sponsorship targets and that Council is providing funding of \$10,000 for the event. Harbourfeast this year will be a three-day event, launching with a Locavore Dinner on Friday night, Harbourfeast event on Saturday and a Winedown celebration across local restaurants and wineries on Sunday. Congratulations Leonie

Missing members Trevor Scholfield, Michael Mastronardi and Craig Cameron were spotted during the course of the evening.

Club Services Director, Issa Shalhoub advised that he was thinking of re-introducing Guest Speaker Drinks

Vouchers and undertook to circulate an updated Club Committee List to members.

Secretary, John Hozack, asked that members advise him of the illness etc. fellow members and friends so that he can inform members as appropriate. John advised that the Rotary 10 pin bowling team was victorious during the week and advised that our favourite cricket tragic is following the Australian team into the English summer. John noted that our Driver Education program will be running for 25 years on November 14th. And, speaking of driving; it was noted that John's classic & much admired Pajero is to be sold to make way for a sparkling beemer, perhaps a spotters fee will go to Club funds on sale John?

Treasurer Ross Wade was confident that there was money in the bank on July 1 and reminded us that Membership fees are due before the end of the month.

Rob Powell return as Club Sargent was well received. Remember that he also needs sharp-minded informants to keep us on our toes.

Card raffle winner was **Wayne Fry with the 10 of Diamonds but without a Joker.**

President Elect Terry Marchello advised that the Business Awards were on track with Jeni & Brian as silver sponsors and Ex-Servos and Big4 coming on-board.

Youth Director, **John Goggins is hoping to build on Yvonne's successful** work focussing on RYLA, Driver Ed and perhaps working with the BlackDog Institute towards a youth event during the year.

Community Services Director, Trevor Schofield with most excellent timing illuminated the Bowel Screen program's movement of 480 kits. Trevor is open to suggestions and is thinking of renewing sponsorship of the Jumping Castle .

Phil Brown told us that he is reasonably confident that Lions will be taking over the Blessing of the Fleet event aiming for a complete transfer in 2017.

Michael Mastronardi presented the Club with a large bottle of hand sanitiser for members to use on arriving at meeting as a means of reducing the spread of germs

Pres Clive closed the meeting only few minutes behind his objective to close of 8PM.

End of report.
