Report on 3 November 2015:

There are no "he-said" and "she-said" reports from our regular meeting this week. However, members have been very busy during the week with two events substituting for our usual Tuesday meeting.

Rotary's Melbourne Cup Calcutta and Fashion Parade was very capably organised by Rob Powell again this year on Monday night. Rob provided a fun evening with his inspired auctioneering and a fabulous parade of the latest fashions from Coyote Boutique, Ulladulla. Many thanks go to the folk who bought and sold tickets to the draw. In addition, thanks for all the Rotarians who turned out to sell, fold, applaud, and generally help with the organisation of this fun annual event.

Also thanks to the staff at the Golf Club for their efforts on the night.

The Calcutta evening was another successful fundraising, fellowship, and community event. Special thanks to Luke Gingham for his

expert, on stage, form reviews.

Also to many thanks to our fellow Rotarians & partners; Ali Tyquin, Dick Crouch, Wayne Fry, Lynn Chittick, Yvonne Young, Rhondda Purtell, Cliff Workman, Terry Marchello, Brian Morrison, Denise Fors, Peter Culham, Alan Foremen, Jeff & Sylvia Franklin, John Payne, Dale Wilford, Bill Harris, Brian Johnson, Alan Foreman, Robin Cantrill, and Clive Cross

Tuesday night, in lieu of our regular meeting, many members attended the Royal Military College Band recital at the Civic Centre. This was the first time the RMC band has performed in Ulladulla and proved to be a very entertaining and lively evening for around 300 people attending. Glenn Rowen organised the evening after being introduced to the idea by

Rotarian Glenn Wran and Stephen Hladio of Waveview Real Estate in Milton. Stephen is a former bandleader himself and helped establish the relationship with the RMCB.

RMCB does not charge for these performances, meaning Rotary was able to raise significant funds for the half-court basketball to be constructed at Mollymook Beach.

In addition to appearing for our event the band was able to arrange a busy schedule in the region bringing the big band style of music to the area. The

audience was rewarded with a night of stirring traditional marches and big band arrangements, some classical pieces (a challenge without a string section) and a good repertoire of tunes from movies and pop genre. Check out their website for inspiration, as the Band would like, and we too would like to encourage them, to come back next year.

Rowen's Arcade donated \$500 worth of shopper dollars to the raffle that was drawn during intermission. Thanks to the enthusiastic buying of tickets by the audience, on the night, the raffle was also a great success.

President Clive thanked Major David Bird and his Band for their excellent performance and their seamlessly managing the logistics of setting up and dismantling their equipment. The Big 4 Bungalow Park provided accommodation to the more than 30 musicians.

As it is with all the events Rotary puts on for the community, it is the sponsorship and assistance of local businesses that really does make these things possible. Our recognition and gratitude goes to Steve Clarke of the Big 4 Bungalow Park Burrill Lake, Milton Ulladulla Times Newspaper's Freddie Simon, Radio 2ST & Power FM, Danny Free, SCC, Eliza McCabe, Louise and the ExServos Stewarts Catering - Sally Stewart, Pia Farmilo, & staff.

And to our fellow Rotarians; President Clive Cross, for his support; publicity - Leonie Smith & all the Rotarians spread the word through social media and personal contacts. And for setting up and on the night Rotarian helpers: - Bill Harris, Cliff Workman, Alan Foreman, Rhondda Purtell, Dom Fondacaro, John Payne, Brian Morrison, Robin Cantrill, John Goggins, Micky Scott, Terry Marchello, Ross Wade.

End of report.

Marine Rescue BBQ Partners Night – 24 November 6pm

Reminder: please let Glenn know if you and your partner are coming by next week to allow time for Marine Rescue Unit and their partners to cater for us. They are supplying the food; but bring your own drinks, and *yes*; alcohol is allowed. This is a great opportunity to meet the Marine rescue folk and check out their new premises.
