Report on 17 November 2015:

President Clive Cross opened the meeting, introducing our guests for the evening: Masie Bennett, Jacqui Thomson, Tom Law, Anthony Nee, Shelagh Jansen, Genelle Gregory, Peter & Merrin Walmsley and John Corin.

Rosters for the Jumping Castle, Christmas Tree Sales, and Harbourfeast were circulated; as there are some gaps remaining please give your availability some thought when you see the follow up emails shortly.

International report – **Cliff Workman** advised that the Board is considering a RAMS grant to a student researching the causes of malaria for Village Protection.

Club Service Director – Issa Shalhoub reminded us that next week's meeting is at the Marine Rescue Centre; remember to BYO and also bring a chair.

Harbourfeast Chair – Leonie Smith updated us on the progress of her event inviting everyone to visit and share the exciting new Harbourfeast website that she developed in conjunction with Scott Richardson of Ulladulla Web Design.

There were no other reports as everybody was keen to watch the video and re-live the Traditional Italian Wedding comedy event, originally held by our Rotary club 22 years ago.

Dom Fondacaro provided us with the background to the wedding event he designed and organised with **Past President Dick Crouch** in 1993. Dom's "Italian Wedding" went on to win awards from Rotary International and raised the spectacular sum of \$30,000. It was inspiring to watch the video performances of our members, friends, and a range of other community dignitaries of the era performing in Dom's play. If you were not at the meeting, you missed an inspiring evening, however, if all goes well, Issa may be able to place the video on YouTube so that a link can be shared with you.

Pres Clive closed the meeting with a reminder of our commitment to learning both verses of Advance Australia Fair for the video of us signing on December 1st. This maybe another YouTube occasion brought to the world by the Milton-Ulladulla Rotary Club... For you convenience words follow as well as a link to review the tune.

End of report.
