Report on 24 November 2015:

Last week's meeting was more a gathering of members for a BBQ by the harbour hosted by Milton-Ulladulla Rotary Club's long terms friends; the Marine Rescue Unit of Ulladulla.

Ulladulla Unit Commander Ken Lambert welcomed us and his fellow volunteers plied us with an excellent BBQ.

To remind us of the Units recovery this is an image of the old base in its final state and another image of the new facilities.

Commander Ken provided us with a generous picture of how the base operated. He also gave some insights into the rescue activities that the Unit regularly performs between Jarvis Bay and Batemans Bay.

All enjoyed a lovely evening and we look forward to repeating the occasion in the future.

End of report.

And one last time the words to the full National Anthem:

Australians all let us rejoice
For we are young and free
We've golden soil and wealth for toil,
Our home is girt by sea:
Our land abounds in nature's gifts
Of beauty rich and rare,
In history's page let every stage
Advance Australia fair,
In joyful strains then let us sing
Advance Australia fair.

Beneath our radiant Southern Cross,
We'll toil with hearts and hands,
To make this Commonwealth of ours
Renowned of all the lands,
For those who've come across the seas
We've boundless plains to share,
With courage let us all combine
To advance Australia fair.
In joyful strains then let us sing,
Advance Australia fair.
