Report:

President Clive Cross opened the meeting congratulating the Rowan and Fondacaro families for last week's successful progressive dinner. He also advised that RAWCS had passed on a request from Disaster Aid for funds for Fuji; to be considered by the Board. President Clive also advised members that the Board had advanced \$5,000 to the half basketball court at Mollymook Beach and that the construction site established with work to commence on 7th March.

Emile Jansen proposed a toast to the Rotary Club of Fuji and proposed that the Board consider donating funds to the Rotary Club of Fuji.

Wayne Fry, on behalf of Issa, updated members on coming events, birthdays, and anniversaries and of course the BBQ roster. Wayne then went on the brief members on the details of the “membership drive” that will follow a similar process used, successfully, by other clubs to refresh their membership. In summary members will be asked, by letter from the President, to nominate individuals they either know or are individuals in community, professional and business rolls that may be suited to Rotary. Potential members will be invited to be our guest at information nights throughout the year, the first of which is April 12. Please let **President Clive, Tim Gregory, or John Goggins** know your prospects before **March 15th**.

Club Secretary John Hozack advised members that the club had committed to assisting with the upcoming month long Questacon exhibition; that the club had received a number of letters thanking the Club for its support. As almoner, John informed members that Sid and Zelma Turnbull, Keith Bennett and Carolyn Campbell are all doing fine and appreciative of visits and calls from members and friends.

Glen Rowen, informed members of the upcoming Barefoot Bowling Fund Raising Event on April 1st. Glenn invited interested members to think about forming a team and participating as a club.

President Clive then opened the meeting assembly; inviting members to make suggestions. Short presentations were made by **Terry Marchello, President Clive, Wayne Fry**, et al, regarding the club structure and senior club positions.

Members present were delighted to hear proposals from and on behalf of Dick Crouch and Phil Brown for incoming Presidents 16/17 and 17/18. The Board is expected to ratify these very popular nominations at its next meeting. The position of incoming Secretary remains under vigorous negotiation, with potential solutions in the pipeline.

There was no opportunity for a Fine Session or raffle as the club’s storage area could not be unlocked in time for the meeting. So bring your spare cash tonight.

President Clive closed the meeting on a happy note.
