Report on Meeting-Visit, by Issa Shalhoub

**President Clive Cross** welcomed guest Matthew Thomas, members, family members; Cathy Hughes, Annie Brown, Shelagh Jansen, Gordon Young and Jeiji Abbott. We met at 'Lynns Removals and Storage' in Ulladulla.

We all enjoyed a BBQ cooked to perfection thanks to **Simon Brown**, the food was organised by **Rob Powell** and **Phil Brown** and delivered by Phil Brown, **thank you Rob and Phil.**

Lynns Removals proprietors, **Peter and Cathy Hughes** have generously donated storage area for our Club's odds and ends, also storing the van and Peter has helped over the years with the transport of the van along with **Keith Bennett** and **Roger Halls.**

Teacher **Greg Lynch** showed attendees what is inside the van and how his presentations educate school children. Life Education Van helps young people to make informed decisions about drugs and their health, the program is driven by the popular Life Education mascot Harold the giraffe.

In May 2014, the van was supplied with a new (revamped) truck to move it around the Shoalhaven region. The new truck was made possible thanks to the support of a number of local Rotary Clubs, including

Bomaderry, Nowra, Milton-Ulladulla and Kiama. Together with financial support from Shoalhaven Council, Shoalhaven Water and Kiama Council and a Community Building Partnership form Shelley Hancock Member for South Coast.

**The Club would like to thank Cathy and Peter Hughes, Greg Lynch, MasterChef Simon Brown, Phil Brown for his help and Yvonne Young for her behind the scene work in organising the night.**

### About Rotary Routh Exchange:

Gives a young person the opportunity of a lifetime. Exposure to new cultures and customs is a powerful way to promote global understanding and peace. And it's not just students who benefit – the Rotary club and host families will too. Students spend a year in another country living with different host families and attending classes at the local school.

Excerpts from an email received by P Clive Cross, from our proposed Italian Youth Exchange Student **Giulia Missarelli**:

*"I have just received all the information from John Britton (D9710 YE Chair) and I wanted to reach out to you straight away. Firstly I want to thank you for this amazing opportunity and for offering to be my host club. Ulladulla and the surrounding regions look absolutely stunning and I cannot believe I will get to see them, yet alone LIVE in such a beautiful place for an entire year.*

*English is my second language and I am looking forward to improving my English over the course of my exchange. Right now my family is hosting an Australian girl from your district, Lucy Grimes (and she is helping me to write this e-mail). She has told me so much about Australia and I am very much looking forward to discover, learn and become integrated into your community and furthermore, your country. I wish July would come quickly as I cannot wait to come to the famous Land Down Under."*
