"PRESIDENTIAL MESSAGE"

RI President K.R. Ravindran, March 2016

All of us in Rotary are leaders, in one way or another, in our communities. All of us bear the responsibility that comes with that. Our Rotary values, our Rotary ideals, cannot be left within the confines of our Rotary clubs. They must be carried with us every day. Wherever we are, whoever we are with, whether we are involved in Rotary work – we are always representing Rotary. We must conduct ourselves accordingly: in what we think, what we say, what we do, and how we do it. Our communities, and our children, deserve no less.

"2016 COUNCIL ON LEGISLATION OF ROTARY INTERNATIONAL"

The Council on Legislation, an essential part of Rotary's governance, will meet 10-15 April in Chicago. Every three years, representatives from Rotary districts across the globe gather to review and vote on proposed legislation.

Learn more about the [Council on Legislation process](#), review [proposed legislation](#), and visit [Rotary.org](#) in April for Council updates.
