### "PRESIDENTIAL MESSAGE"

**RI President John F. Germ, August 2016**

The recent Council on Legislation adopted some innovative measures that allow clubs to vary their meeting times and expand their pool of prospective members. Clubs have more flexibility now to respond to the needs of their members and to clear away as many barriers to membership as they can. But there's one barrier to membership that only you can remove, **one thing that every prospective member needs to become a Rotarian: an invitation to join a Rotary club.**

Whenever I tell a group of Rotarians that we need more willing hands, more caring hearts, and more bright minds to move our work forward, everyone applauds. But those hands, hearts, and minds won't magically appear in our clubs. **We have to ask them to join.** And an invitation to Rotary is something that only you can give. An invitation is a gift. It's saying to someone, "I think you have the skills, the talent, and the character to make our community better, and I want you to join me in doing that."

I'm the president of Rotary International, but the only club I can invite someone to join is the Rotary Club of Chattanooga, Tenn. I can't make your club or your community stronger. Only you can do that – by inviting the qualified people you know to join you in *Rotary Serving Humanity*.

**Saturday 20<sup>th</sup> August, the Royal Military College Band is performing at the Civic Centre.**

*Three (3) tables have been put aside at this stage for our members.*

*Members-partners-friends are of course not obliged to access these tables should they wish to sit elsewhere or want to fully book a table with other friends.*

**Grace: "For good food, good fellowship, and the privilege to serve through Rotary we give thanks."**
