Five minuter – (10 minutes in Clive's time) - **Clive Cross** has spent a good part of his life in some sort of service, has been in Apex, Lions and later in Rotary (of course). Clive has service in Electronics with the Navy, servicing time in Vietnam, Borneo, Malaya during his time in the Navy. After the Navy Clive worked, on tracking stations, in Carnarvon Perth and Honeysuckle Creek near Canberra assisting NASA. Clive then went into stationary supplies where he was one of the part owners of Office National.

Clive was approached by members of the North Canberra Rotary Club to form a club in Canberra/Fyshwick where he was Charter President of the Canberra/Fyshwick and has been Rotary since and loving every moment of it.

New members talk given by Fiona Cochrane. Fiona gave a very brief overview of her life. As a child one of Fiona's hobbies was catching lizards and snakes much to her parents delight. Fiona was a girl Ranger for a time though left due to circumstances beyond her control.

"3 TIPS ON RETENTION"

From the [website](#) of RI Zones 21b and 27

We make Retention a mystery and hard to achieve. The truth is it is simple.

Every new member needs three (3) things:

1. **A friend** in Rotary to whom he can constantly turn, who will walk beside him, who will answer his questions, who will understand his problems.
2. **An assignment.** Activity is the genius of Rotary. It is the process by which we grow like the muscle of my arm. If I use them, they grow stronger. If I put them in a sling, they become weaker. Every member deserves a responsibility. The Club President may feel that the new member is not qualified for responsibility. Take a chance on him. Think of the risk Rotary and your Club took when they elected you. An assignment should be given **the day** they join. Any later and you will lose them.

Of course, the new members will not know everything. They likely will make some mistakes. So what? We all make mistakes. The important thing is the growth that will come of activity. They will have the fellowship of the other members. They will become one of a vast body of Rotarians throughout the world, men and women of integrity and faith who love Rotary and seek to move forward this work.

3. Every new member must be "**nourished** by the concepts of Rotary." They need to understand what it is when we say *Service Above Self*. Hold fireside chats for new Members.

Grace: "For good food, good fellowship, and the privilege to serve through Rotary we give thanks."
