Families are trained on how to use the pump before the purchase of the pump, given the pump is over \$9,000, candidates for the pump are required to show that they are able to maintain their blood sugar level.

### ROTARY FRESHLY CUT CHRISTMAS TREES;

Locals and visitors will be purchasing the freshly cut trees from the Englemere Farm, 198 Garrads Lane in Milton, 1.4 kms off Matron Porter Drive, and from the Gardenhaven Nursery which is located on the Princes Highway in Milton, thanks to Kerry and John McKillop, nursery proprietors, who have been selling the trees our Club's behalf. The trees have been planted and looked after by Tim Gregory and his family, and the profit raised from the sales will be donated to the Renal Unit at the Milton hospital.

The trees will be available for sale for \$35 each, from the Saturday 3rd of Dec till the 23rd of Dec at the following days and hours; Monday to Friday between 4.00 and 6.00pm also on Saturday and Sunday between 10.00 am and 6.00pm. **PLEASE help with the roster.**

THANK YOU, Noel, Rowey and Neal from the Ulladulla Leisure Centre, for donating 20 free passes to Giulia Missarelli.

Thank you to the members who have involved Giulia with their activities, apart from the Host families four members have obliged, Giulia has been amongst us for three months.

Giulia is our Club's Youth Exchange Student; the whole Club members need to involve Giulia with their normal goings-on, even if it is just a meal.

Giulia is on an educational and cultural exchange. Giulia's time here is not just to learn our way of life but to see how different members with different backgrounds live.

**Please contact the host families to arrange an outing.**
