**From the editor:**

*Do you know someone who would benefit from being part of Rotary, who would fit in our Club, enjoy the benefits of great fellowship, networking and working to improve and help our community? If you do, invite them to attend a meeting (free of charge).*

*I was privileged to be asked and invited to join Rotary in 1982 by the late PP Joe Saunders.*

*Worldwide Rotary's membership numbers are stagnant even though we induct over 100,000 new members every year, but due to the effort of clubs and districts in Asia and Africa our membership numbers worldwide are not declining.*

*Every member needs to be pro-active for the continuity of Rotary.*

*It is every Rotarian's responsibility to Ask, Ask, Ask, Invite, Inform, Involve, Educate and Mentor prospective and new members. IT IS THAT SIMPLE.*

*BTW: The only Rotarian ever not to be asked nor invited to join Rotary is Paul Harris.*

**Grace: "For good food, good fellowship, and the privilege to serve through Rotary we give thanks."**
