JOHN F GERM'S MESSAGE

RI President 2016-17, from RI website June 2017

Through Rotary, we have the opportunity to care for and lift up those who need us the most – whether they are in our own community or on the other side of the world.

Rotarians are doing what is needed most for the people who are most in need. They're working hard for the communities they care about, helping the people of those communities lead better lives.

To me, that is the essence of Rotary: that desire to be of assistance, that willingness to work for the good of others. In Rotary, when someone needs help and you can give that help, you don't walk away. You don't turn your back. You say, I'm here for you. I'll do whatever I can. And I know that whatever I do, I'm not doing it alone – I'm doing it with **Rotary Serving Humanity**.
