FROM THE ROTARY INTERNATIONAL PRESIDENT . . .

ROTARY INTERNATIONAL

To the members of the
Rotary Club of Milton-Ulladalla, New South Wales, Australia

Dear Fellow Rotarians:

Congratulations to all of you as you celebrate your club's **50th** anniversary.

Fifty years ago, your club's charter members felt that Rotary's ideal of service to the community was worthy and credible, and for this reason they laid the foundation for a Rotary club in Ulladalla.

Today, your club continues to bring new ideas and fresh enthusiasm to a tradition of service that has spanned generations. This year, as you reflect on past accomplishments, I ask you to continue to lead Rotary into the next century of service. Continue to focus on projects that provide clean water, improve health and eliminate hunger, and advance literacy in clubs and districts around the world.

As you celebrate this important milestone in your club's history, remember the responsibility for Rotary is yours. Take pride each day in the decisions you make and the actions you take, because these choices are determining the course of Rotary for us all. I can think of no place better to entrust the strength of this organization than to the members who have built it. Truly, ***The Future of Rotary is in Your Hands.***

Sincerely,

John Kenny

FROM THE DISTRICT 9710 GOVERNOR . . .

Dear Fellow Rotarians and Friends,

In 2010, the Rotary Club of Milton Ulladulla celebrates its 50th Anniversary! This is a wonderful milestone.

A Rotary Club has the opportunity to have an impact beyond its own area. The Rotary Club of Milton Ulladulla is no exception, supporting those in need through international humanitarian services and aid, such as ShelterBox, and sponsoring and hosting Rotary Youth Exchange students and hosting Group Study Exchange teams. The Club has also sponsored students to important events like RYLA and RYPEN.

The Rotary Club of Milton Ulladulla has a proud history of strong service to the local and broader community. A singularly important achievement is the revival of the Blessing of the Fleet festivities. A huge achievement and one greatly appreciated, welcomed and embraced by the community. Well done to all the members involved.

The Club has enjoyed tremendous support from the local community and businesses. Such support makes the giving of Service Above Self such a greatly rewarding and satisfying experience for all involved.

The history of service and contribution by the Rotary Club of Milton Ulladulla is a proud one – and justifiably so. Fifty years of service represents innumerable lives positively affected and improved and a helping hand extended in peace and friendship – locally and internationally. Fifty years of working towards the goal of peace and international understanding and goodwill.

On behalf of the Clubs and Rotarians of Rotary International District 9710 and, indeed, the rest of the Rotary world, I extend our congratulations on achieving your 50th Anniversary. We hope you another 50 years of service to give to your local, national and international community and to Rotary International.

Michael Pedler
District Governor 2009 – 10
Rotary International District 9710 Inc.
Rotarians, partners and friends.

FROM THE CLUB PRESIDENT . . .

Rotarians, partners and friends.

The Club is working hard in the local community as well as internationally. Internationally, we have been very supportive in trying to eradicate Polio from our world. Our club continues to support villages in the Pacific with Malaria protection, individuals in Bangladesh in Cleft Palate operations and more recently in the purchases of a large number of ShelterBoxes to support people who have suffered through natural disasters – bush fires, earthquakes and tsunamis. Youth exchanges have continued and regularly we host Group Study Exchanges (the most recent one being from China) or Friendship visits from overseas.

Locally, we continue with working bees, catering at the Milton Show, support of Mullala and Davenport, Rescue Helicopter Services, Coastal Patrol, Meals on Wheels, Hospital needs (especially cancer support), Community Organisations, RYPEN and RYLA.

We have worked relentlessly with the community to bring back the Blessing of the Fleet Parade. Local students benefit from our involvement in camps, Life Education Van, exposure to the Sciences and Leadership courses.

We have continued with fund raising with the Jumping Castle, Business Awards, Calcutta, Swap Meet and The Entertainers. This is what has made us a successful club – friendship and camaraderie at these events. Our club continues to build goodwill and better friendships and as more and more people work with us (ROTARY) then everyone benefits.

Congratulations and thank you to all who have contributed to our first 50 years of service and we look forward to contributing even more over the next 50 years.

The feature of this Souvenir History is that the coloured pages numbered 7 to 16 are actually the exact copies of the Rotary Club of Milton Ulladulla Charter Nights Dinner Meeting Programme 50 years ago. To highlight this feature it is produced on different colour paper.

I would like to acknowledge in this Historic Publication the great contribution our Club Presidents have made as dedicated Rotarians who have led our Club through its 50 years.

THE FOUR WAY TEST
*....of the things we think, say and do:
Is it the truth?
Is it fair to all concerned?
Will it build Goodwill and
Better Friendship?
Will It be Beneficial to all concerned?*

Object of Rotary

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular to encourage and foster:

First:

The development of acquaintance as an opportunity for services.

Second..

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society.

Third..

The application of the ideal of service by every Rotarian to their personal, business, and community life.

Fourth:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

 ~ NOTE FROM THE AUTHOR ~

The Rotary Club of Milton Ulladulla History has, been researched, condensed and produced by PDG Werner Pohl. With the exception of the first 8 years. The Club records were maintained by charter member PP Ken Kendall who we have to thank for looking after some of the Historic Documents, photographs and bulletins over the many years.

As for me, it was somehow a rewarding but time consuming experience, having had the opportunity of delving into records of the Club, seeking statistics and gathering information of all kinds over the last thirteen and a half years since my appointment as Club historian.

I also like to mention that I have taken care in transferring information (including names) available for the history from the bulletins and other documents as accurately as possible.

I have asked two Past Presidents of our Rotary Club, the late PP Jim Thomson and PP John Hozack to do the proofreading in order to assure the accuracy of this history, as it is intended to appeal to all my fellow Rotarians as well as to all general readers and it should provide a source of reference for the future. Recently Jan and Issa Shalhoub have also helped me with the proofreading, Issa in addition has been assisting our Club in many ways specially with the 50th Anniversary Celebration.

It is with much pleasure indeed that on behalf of our Club members I thank Jim, John, Jan, Issa and "Ulladulla Printing Service" specially PP Ted Wild, Paul Zerbes and Daniel Butler, very much for their enthusiastic co-operation at all times.

At this point I also like to thank the Rotary Club of Milton Ulladulla for giving me the opportunity to produce this history. It has been a [work of love] and given me the pleasure in reliving the 28 years of Rotary Membership with the Milton Ulladulla Rotary Club.

I would like to thank the Club for the many honours bestowed on me but one that I treasure most highly is the Paul Harris Fellowship Award (Sapphire Pin). I hope the Rotary Club of Milton Ulladulla will go on to even bigger and better things in the future.

Last but not least many thanks to my late wife Margaret who has two finger typed the Club's history which was included in the Club bulletins from time to time.

Yours in Rotary

Werner Pohl

The Rotary Club of Milton Ulladulla Inc.

March 15th in the year 2010 marks a significant milestone in the history of the Rotary Club of Milton Ulladulla Inc., being the 50th Anniversary of the inaugural meeting of the provisional Rotary Club in 1960, later to be granted a Charter by Rotary International April 10th 1960. This Charter was presented by the then District 270 Governor Fred Fischer on June 18th 1960.

Since its Charter the Milton Ulladulla Rotary Club has established a reputation within the community and within the Jurisdiction of Rotary as a Club of action, leaving a legacy of enduring impact on the local community and the Rotary District. It is appropriate in reviewing Club History to consider relevant contributions in the four Avenues of Rotary Service, Club, Vocational, Community, International and as well as contributions at District and International level.

The Rotary Club of Milton Ulladulla was sponsored by the Rotary Club of Nowra. Past President Tom Tait was appointed the District Governors Special Representative to investigate the formation of a Rotary Club in Milton Ulladulla District. Past President Tom Tait invited 20 business and professional men from the area designated for the Club to the inaugural meeting held at the CWA Hall Milton.

Past President Tom Tait, Past President Frank Morehouse and Geoff Stone from the Rotary Club of Nowra addressed the meeting, attended by 20 prospective members of the future club. A resolution of that meeting was that a provisional Rotary Club of Milton Ulladulla be formed.

Executive positions were appointed as follows.

WALTZING MATILDA

Once a jolly swagman, camped by a billabong,
Under the shade of a collibah tree,
And he sang as he watched and waited 'till his billy boiled,
Who'll come a-waltzing Matilda with me.

Waltzing Matilda, Waltzing Matilda,
Who'll come a-waltzing Matilda with me,
And he sang as he watched and waited 'till his billy boiled
Who'll come a-waltzing Matilda with me,

Down came a jumbuck to drink at that billabong,
Up jumped the swagman and grabbed him with glee,
And he sang as he shoved that jumbuck in his tucker bag,
Who'll come a-waltzing Matilda with me.

Waltzing Matilda, Waltzing Matilda,
Who'll come a-waltzing Matilda with me,
And he sang as he shoved that jumbuck in his tucker bag
Who'll come a-waltzing Matilda with me.

THE END OF A ROTARY DAY

Tune: "A Perfect Day"

We are nearing the end of a Rot'ry day,
Which will long remain in our thoughts;
It should send each member or guest away
With the joy that the day has brought;
For Rot'ry means Service at work and at play
And friendships that never fade;
So we grasp at the end of a Rot'ry day,
The hands of the friends we've made.

Milton-Ulladulla District

Earlier Days

by Mrs. MARY NICHOLLS

THE SURVEYORS played important parts in carrying out necessary explanatory work, mapping new country, surveying new estates, and advising prospective settlers of suitable areas. Settlers and pioneers laboured under difficulties of appliance and transport and limitations of personal comfort, which to-day, we can scarcely understand. They grew their own wheat in the early days and ground their own flour. There were no bridges and goods were brought by bullock wagon, or steamer.

SETTLERS must have been frugal, industrious, men of sound judgement, courage, and perseverance, who desired honest trading and good Government. They acknowledged a Power greater than their own, so they built Churches to prove their religious principles, and that they were God-fearing, God-worshipping men. You cannot remove the history of civilization without removing the Churches. The history of men and women who have made any district is somewhere bound up in local Church history.

ANGLICANS claim services held by Rev. Thomas Kendall from 1828. Present Church of St. Peter & St. Paul, Milton, built in 1859. Earlier Church building was used as a Parish Hall until new Hall built.

METHODISTS claim services from 1851. A timber Church was built 1857. Present stone building, Milton, built 1883.

CATHOLIC CHURCH, Milton, was in course of erection in January, 1860, but foundation stone cannot be traced. Claim services held in early 1800's.

CONGREGATIONALISTS claim services several years before present stone Church. Milton, opened 1872.

All services before organised Church work, were held by visiting Clergy and Priests, in homes, or buildings, or out of doors.

1770. **APRIL 21st**, 7 a.m. Captain Cook, aboard the Endeavour, saw and named Pigeon House Mountain. Wrote in his journal that it resembled a square dove house, with dome on the top (Aboriginal name, "Dithol.")

1822. January. Alex. Berry, Hamilton Hume and Thomas Davidson explored Pigeon House region, sailing up River Clyde from Bateman's Bay to Yadboro, and ascended Pigeon House, and found run of water at foot of cone top.

1828. **OCTOBER**. Second survey of this area by Surveyor Robert Hoddle, who named "The Castle" (native name, "Coo-yoyo"). Hoddle became first Surveyor General of Victoria — and had honour and charge of laying out City of Melbourne.

1822. January. Considered Berry, Hume and Davidson entered Conjola and Narrawallee Creek.

1828. **ULLADULLA HARBOUR** surveyed by Thomas Florance in May.

1828. **SEVERAL MONTHS** later Rev. Thomas Kendall was guided into Ulladulla Harbour by a native aboard his small boat. Harbour called "Woolladerrah" by natives — said to mean "Safe Harbour." Kendall took up grant of land that year, including "Kendalldale." He began first white settlement at Ulladulla. He was drowned when his schooner "Brisbane," capsized off Currumbene Beach, Shoalhaven.

1828. **CROOBYAR ESTATE** settlement established by Alex Macleay. Co. Secty. N.S.W. Govt. Croobyar means "Place of the Possums." Estate outlined Surveyor Hoddle.

1828. **MAY**. Mollmook and part of Narrawallee surveyed by Thomas Florance. Also surveyed Burrill Lake and named upper portion Terra-Bona Creek.

1828. **MR. ROBERT GARRAD** first white inhabitant of Ulladulla. 1930. Garrad's daughter, Elizabeth, first white baby born in District.

1829. **1st JUNE**. Ulladulla among list of towns published by proclamation.

1833. **SURVEYOR F. T. RUSDEN**, surveyed from Sassafras district along Table Mountain, foll. Pigeon House Range southerly to Pigeon House northern portion of Table Mountain, "Womballonay," and high peak on S.W. of Table Mountain, "Talaterang."

1839. **HENRY CLARENCE KENDALL** (poet) and twin brother, Basil Edward Kendall, born at "Kirmington," Ulladulla (now Milton). Sons of Basil and Matilda Kendall (nee McNally). Grandsons of Rev. Thomas Kendall. Henry Kendall wrote "I was born in the forest, and the mountains were my sponsors." These twin babies were cradled in the bark of a stringy bark, stripped off intact, and holding the two babies feet to feet.

1800's. When first white settlements established, there were considered to be some 600 aboriginals in district, divided into two tribes, Pigeon House Blacks and Coastal Blacks. At certain periods, by mutual arrangement, the two tribes would meet for friendly conference on "Kingiman" Mountain Range between Pigeon House and sea. "Kingiman" means Meeting Place.

1859. Township of Milton surveyed by Henry G. Morton for John Booth, who purchased "Myrtle Farm," and had town laid out.

1860. **1st JANUARY**. Milton Post Office established. Known as "The Settlement" for several days before being named Milton. Postmark in existence to prove this. First Postmaster, George Knight.

1860. **JANUARY**. Milton Township lots offered by auction, by John Booth. Auctioneer, H. G. Morton (Mr. Jack Woods has copy of original plan).

CLUB HISTORY - No. 1

1960-1961

It has been decided to print some Club history from former years from time to time in the bulletin and Historian Ken Kendall has given us the first snippet which refers to the year the Club was formed in 1960 and to the first Board Meeting held after the Club had been chartered in June of that year.

The officers were

President Phil Berner
 Secretary John Blackburn
 Treasurer Frank Denshire

DIRECTORS

International Service Harold Kendall
 Vocational Service Frank Bean
 Club Service Jack Guest
 Community Service Jim Thomson

Matters discussed included the fact that £50 (\$100) be given to Rotary Foundation for the year; that Rotary members be rostered as stewards each week to wait upon the tables (in those days private caterers supplied the meals in the CWA Hall in Milton); it was decided that a portrait of the Queen would be presented to the newly formed Batemans Bay Club on their Charter Night; Vocational Service was endeavouring to have Technical Education started in the District and it was hoped that the Motor Trade might be the first Trade considered. Treasurer Frank Denshire gave his Financial Statement showing that the Club had the princely sum of £71.24 (\$142.23); it was decided that the first Ladies Night for the Club would be held on 13th December, 1960 at the cost of 15/- (\$1.50) per head; the erection of Rotary signs at each end of the District was a project underway and rental for meetings each week was to be £1 (\$2) per night; finally a guest speaker who had stayed overnight at the Commercial Hotel had left behind a bill which was to be settled by the Club, a total cost of £2.72 (\$4.72). It makes you think how times have changed.

PRESIDENT

CLUB HISTORY - No. 2

1961-1962

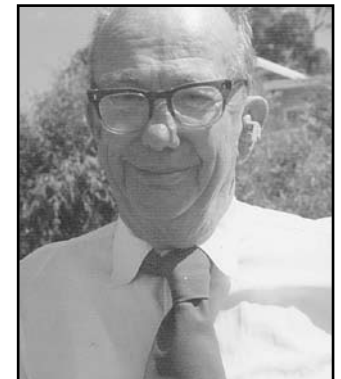

We moved into the second year of operation of our Club in 1961-1962 for this item on Club History.

Officers in that year were:

President Frank Bean
 Secretary John Blackburn
 Treasurer Frank Denshire
 Vice President and Club Service Harold Kendall
 Community Service Peter Smith
 International Service Nev Root
 Vocational Service Charlie Kingsley
 Immediate Past President Phil Berner

Fresh tenders were called for catering at the CWA Hall where meetings were held and Mrs L Switzer was successful (she catered for the Club for a number of years thereafter); the Club supported the nomination of Frank Moorhouse from Nowra Club as District Governor of District 275 (now District 975) for 1963-1964 year; Frank was eventually the successful nomination; the Board moved that a Presidential Collar of Office should be purchased (this Collar was still on show every Tuesday night around the neck of the President until 2005). One of the main projects of the Club in the year was the beautification of Brodie Park in Burrill Street North Ulladulla (this Park was of course finally handed over to Shoalhaven Council which still maintains it). The Club was very proud of having won the Attendance Shield at the District 270 (now 9710) Conference held at Orange in 1962; this requires a short explanation as our Club commenced as part of District 270 which covers South Eastern NSW and ACT and a good portion of the Central and South West of the State, with Lake Cargelligo the furthest inland Club; after two years in this District the Clubs on the South Coast south of Nowra to Narooma and the Southern Highlands Club were changed over to District 275 which at that time ran from the Sydney Harbour Bridge through Wollongong and down the coast; this of course again changed when in 1977 all Australian Districts had their prefix changed from "2" to "9" and the new District 971 which is of course our current District came into being.

CLUB HISTORY - No. 3

1962-1963

The next episode of our Club History goes into 1962-1963 when the Club was in its third year of existence;

 SecretaryFred Turner
 Treasurer Frank Denshire
 (Frank retired during that year and was replaced by Allan Harding.)
 Club Service..... Jim Thomson
 Vocational Service Bert Redhead
 Community Service..... Frank Bean
 Sergeant at Arms Fred James
 Program ChairmanBill Banner

One of the features of this year was a visit by Hurstville Rotary Club who had a social weekend in the area early in 1962 (Leo O'Donahoo who was a former chemist in this area and has now retired here was at that time in Hurstville Club and arranged the visit). Another project was the production of a tape which was forwarded to the Club of Milton Ontario, Canada outlining information about our Club and District. A Rotarian from Young Club joined our Club when he moved to the District, being the late Os Watson a retired surveyor and Senior Active Member; also during this year the Charter President of the Club, Phil Berner, resigned because of the loss of classification when he sold his Pharmacy in Ulladulla to Bruce Ward (incidentally Phil purchased this Pharmacy from Leo O'Donahoo).

There were a number of other membership applications approved during the year including the late Gordon Kelly, Ted Walker, Gerald Spring and Ron Beesley and late in that year Phil Berner was readmitted to the Club as a Past Service Member. Projects for the year included completion of the development of Brodie Park in North Burrill Street, Ulladulla and the donation of a debating shield for contest between District organisations (the whereabouts of this shield today is unknown although some organisation must be holding it and we have not heard of it being contested for quite a number of years).

CLUB HISTORY - No. 5

1964-1965

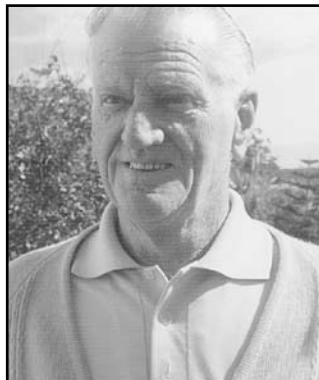

This look back into the past covers the 5th year of the Club when the late Jack Milham was our President; Jack was for many years a Councillor on Shoalhaven Shire Council and was well known as "Senator" Milham.

His office bearers were as follows:

Vice President.....	Harry Thorne
Secretary	Gerry Spring
Treasurer	Allan Harding
Directors.....	Peter Smith Ted Walker Ken Kendall Noel Hilder

During the year, two new members were inducted into the Club being Kevin Fitch and Jack Sandilands (Jack was last heard of in far North Queensland). One of the projects undertaken during this year was the purchase of name badges for our Rotaryannes; meetings were still being held at the CWA Hall, Milton but costs had by now risen to twelve shillings per meeting; the Bulletin Editor for the year was PP Jim Thomson. During the year the resignation of Fred Turner, Phil Berner, Peter Smith, Eddie Passfield and Fred Faust were received (Fred had been programme Chairman for the Club from its inception). The International House Appeal for the erection of this Building in City Road opposite Sydney University was in full swing and the Club made a donation of five pounds to the appeal. In May, 1965 a letter from the President of Drummoyne Rotary Club reminded us that District 275 (then our district) had recently moved at the District Conference to make available two Aboriginal Scholarships annually to the value of one thousand pounds each. In June, 1965 Jack handed the Club over to Harry Thorne and his year in due course became the story of Club History No. 6.

The Work Experience Programme which commenced three years ago in co-operation with the local high school continued This project aimed at reaching the school leavers who sought first hand knowledge about a trade or profession and sets out to bring students and tradesmen or professional persons together so that all questions can be quickly and satisfactorily answered. Job talks were reintroduced. These short talks of about 3 minutes duration gave the fellows the opportunity to further explain their vocation to other Club members. The International Service committee was successful this year in raising sufficient funds through its own activities to completely support itself.

Two lamington drives were arranged throughout the year and the very active support of our Rotary Ladies was greatly appreciated. Funds from these drives were used to support the following projects; Naran Centre, Rhodesia \$90.00, Macau Orphanage \$80.00 and the Child Education Centre in Tonga for the continuing education of 2 children \$75.00 and \$200.00 to the Rotary Foundation. Main fund-raising activities included running the Calcutta Sweep in connection with the Melbourne Cup, a Ladies Night and Family BBQ night at Ringland's Farm which attracted a large contingent of visitors, Greig supplying hayrides and cow milking contests. A Ladies Night and fun night at Claude Brown's, the Milton Ulladulla Rotary Club assisted with some arrangements at the District 971 Conference in Nowra. We sponsored Miss Katherina Eaton for the Milton A and H Show, a Rotary float and princess was entered for the Blessing of the Fleet Celebration. Labour was supplied to assist operating the Steak Bar at the Easter celebration as well as at the Milton Show including the Liquor Bar. We arranged transport for disabled diggers on ANZAC Day. Life line lights were installed. We maintained the lawns and surrounds, providing labour and material for fences at the Legacy homes in Milton. For the first time Mollymook had a cup meeting, we were involved with providing labour for the Steak Bar, supported Meals on Wheels and sponsored 2 RYLA Students, Miss Anne Scharkie and Miss Janet Nicholls. Rotaract became a reality too, the first interest meeting attracted 21 prospective members, enough to stage a provisional Rotaract Club. Continued meetings would soon culminate in Chartering of the Milton Ulladulla Rotaract Club. Our Exchange Student Ross Davis was off to Japan for 12 months and we entertained the GSE Team from Sweden. Changeover Dinner was held at Hackett's Restaurant 27th June, 1979.

This Rotary year was to be more exciting then ever before because our International President was none other then Clem Renouf from Nambour (Qld D 960), It was also Rotary International 75th Anniversary and of equal importance was Milton Ulladulla Rotary Club's 20th Anniversary and 59 years of Rotary in Australia.

The US Exchange Student Katie McManus arrived in Sydney and was met by President Claude. A past Rotarian night was arranged for the 16th October at the Hilltop Golf Club. The provisional Rotaract Club met regularly at the Star Hotel in Milton. The draw and auction of the Calcutta Sweep took place at the Mollymook Golf Club on 5th November. The A and H Show Society advised that the theme for the 1980 Milton Show would be "Service Clubs in Action". Involvement from all Service Clubs would require a float from each Club, sponsoring a Miss Showgirl and have their own Club display within the allocation area in the pavilion.

Milton Ulladulla Rotary Club participated in the Rotary International 75th Anniversary Celebration and the Club committed itself to raise the \$15.00 per member towards the 3 H program by conducting street stalls, raffles and a special dinner. At the request of the Milton Ulladulla Club for clocks to be installed at the Post Office at Ulladulla and Milton, Australia Post advised that we could install a suitable Clock on the Post Office provided the Milton Ulladulla Rotary Club would supply and maintain them. Good news for our Club, the IMB offered sponsorship of \$3500.00 towards cost of a mobile food unit subject to Society design and printing of signwriting on the caravan. The Club accepted all responsibilities for the upkeep, maintenance, registration and insurance of the food unit and a committee of four was elected to obtain the equipment required for the van and the control the letting and use of the van after its completion. News came to hand that Christine O'Neil has been accepted as a Rotary Exchange Student and will be hosted by the Rotary Club of Racine, Wisconsin USA District 627. \$20.00 each were donated to the four district schools. Rotaract Charter Night was set for 2nd February, 1980, District Governor Tony was unable to attend, Past District Governor and Rotaract District Chairman Werner Pohl presented the Charter. Milton Ulladulla Rotary assisted with providing labour at the A and H Milton Show. A Rotary District Dinner Dance was held 19th February and the cheque for \$15.00 per member towards the 3H program was handed to District Governor Tony Garnock. The Steam Engine was moved to the depot of Shoalhaven City Council, with possible installation in tourist area. The Blessing of the Fleet Celebration was supported as always. Mick Hancock and Jill Baptist were accepted as our RYLA candidates. The first Probus Club in District 971 was established in Ulladulla . Changeover Dinner 24th June 1980 at Hackett's Restaurant.

The 21st Anniversary of our Clubs admission to Rotary International was celebrated with a supper dance. It was an outstanding success, enjoyed by all who attended. The venue for our weekly meeting was changed to Hackett's Restaurant in Milton. 2 Fireside meetings were held in homes of Rotarians. 2 BBQ meetings were held by courtesy Claude and Nancy Brown and Greig Ringland. These have become an annual event and attended by many visiting Rotarians and family. \$200.00 donation forwarded to the Peter Pan Preschool to support needy families. We entered a Miss Rotary Showgirl and assisted with labour at the Milton Show as well helped at the Liquor and Steak Bar at the Easter Rodeo. A fire at the Hungarian Club in Canberra (Canberra North Meeting Venue) destroyed all their property. We assisted with \$50.00 and one Milton Ulladulla Club banner. Plans were well in hand for the District Assembly to be held on 21st June, This meeting is attracting an unprecedented number of enrolments.

With no exchange students this year we still kept busy over a weekend by hosting 7 Asian students. After meeting them at the Bomaderry Station we took them to the Huskisson RSL for lunch, on the way to Milton we stopped at Ringland's Farm for a cow milking demonstration followed by a BBQ at Browns. Next day we took them for a boatripe on Burrill Lake. The Rotary Youth Exchange Safari was treated for lunch at the Ulladulla Harbour and billeted for the night. The Milton Ulladulla Rotaract Club was functioning well despite its ups and downs in membership. On their own initiative they organised a membership drive. For the first time we participated in having the opportunity to send 2 delightful young girls, Jenny Long and Megan Newman to the RYPEN Seminar hosted by Huskisson Club. The second event this year was the RYLA Seminar hosted by Batemans Bay. For the first time in some years we were in a position to be able to nominate a male and a female, they were Peter Kerma and Sharon Jansen, both had one complaint, the week went so quickly. The careers advisor at the High School, Mr Warren Daly gave us an insight into the methods used to determining the sort of vocation a student is suited for.

The Croobyar Cup saw one of many uses the caravan was involved in around the district.

At the start of the Rotary year the By-Laws and Constitutions were updated, two assembly nights were devoted for this purpose and then voted on. A long overdue adjustment of the structure of annual dues was incorporated in these amendments, allowing annual updating of Fees in line with rises in CPI and other factors. It was intended that each new member will be given a copy of both, constitutions and By-Laws when inducted. We held 3 ladies nights, excluding Christmas BBQ and Changeover nights. We were indebted to Claude and Nancy Brown and Greig Ringland for the use of their properties for our usual Christmas BBQ. Our own quartet performed at two of our BBQs accompanied by Nancy on the organ. An extra BBQ was held this year but inclement weather forced us to use the CWA Hall in Milton. In spite of this restriction our visitors were able to enjoy the local hospitality. A games night was held at the Mollymook Beach Bowling Club, which included a Chinese banquet style meal. At the Mollymook Beach Park we successfully erected a fence, constructed picnic tables with seats either side, at Brian Johnson's Timber Yard the tables were painted and later concreted into the ground at Mollymook Beach Park. The timber was donated by Allan Taylor and Co for the tables. Other projects included the Meals on Wheels with monthly participation by Club members. The lawn mowing at the Legacy Units was an ongoing job. We also ran a fund-raising project, namely the 40 Club, with half the proceeds going to the Club and half to prize money. Our sponsored entries for Miss Rotary Showgirl Gail Smithers and the Blessing of the Fleet Princess Kim Walker proved excellent representatives and the Club expressed its thanks to these delightful young ladies. One of the highlights during the year was the exchange student Safari Visit. The students were shown the Local Fish Co-op at the Harbour, we accommodated and provided meals for them at the Ulladulla High School, they in turn entertained us with a concert which was enjoyed by everyone. This year the entire Club became life members of FAIM, Werner and Margaret Pohl took a team of Rotaractors from our District 971 on a FAIM trip to Vanimo (New Guinea) to build a schoolhouse for the Natives. The GSE Team returned from South America and entertained us with a talk and slide evening. Unfortunately our own Rotaract Club decided to go into recess through lack of members. The reintroduced job talks created much interest. The Four Way Test was promoted at meetings more prominently than in the past. A successful Calcutta Sweep was held at the Mollymook Golf Club.

The highlight this year happened at our Changeover Dinner June 29th when our Charter Member Past President Jim Thomson was decorated with the Paul Harris Award, it was a first for our Club out of our own ranks.

The Rotary year started with an appeal by President Ron to our members on fellowship amongst our own members but in particular to our visitors fellowship, it is probably the most significant influence on impressions formed of our Club, and it was important to ensure the visitors are looked after as we would like to be, and that it is not left to the few to do the right thing on behalf of the whole Club. Six picnic tables were installed at the Mollymook Beach Park. The map in the mainstreet received a professional face-lift by our Club. The landscaping continued at the Sarah Claydon Village ground, in all 1200 square metres of turf was put down by local service clubs. Milton Ulladulla Rotary Club has done their fair share as well. Our yearly fundraising project the running of the Calcutta was successful again, \$700.00 netted.

The Meals on Wheels support continued. For the first time an inventory of our Club property was compiled. Janice Donnelly was selected to be our nominee as the Youth Exchange Student to travel abroad. Arrangements were made to support the Rodeo held 7th-9th January at the Milton Showground, where our Steak Van operated. We manned the Liquor Bar as well. A new motto was adopted "Get off your Ding and Ring" in regard to an apology if you cannot attend the meeting. 2 successful BBQs were held over the Christmas holidays at Claude Brown's and Greig Ringland's Farm. The complimentary remarks from visitors were very satisfying. Our RYLA nominee for this year was Robyn Reeves and we selected 3 youngsters to attend the RYPEN Seminar in Eden over a 3 day period. The Milton Ulladulla Rotary Club has decided to support the A and H Milton Show in the same fashion as always. \$500.00 was donated to the District 971 Bushfire Appeal. President Ron and partner Sue travelled to Sydney to meet our new Exchange Student from Japan, Yakko. The Blessing of the Fleet netted us \$700.00 profit by concentrating all our effort on our Steak Van. Again the Rotary Student Exchange Safari arrived in town for an overnight stay at the Ulladulla High School Hall. 48 students participated from 14 countries. A band of helpers served the evening meal which had been donated by the Club. A welcome change from BBQ. Chicken dinner and sweets were provided. The students had arranged a concert which was greatly enjoyed by all attending. The highlight of this Rotary Year was the Heliport official opening on the 19th April where our District Governor arrived by helicopter at the newly constructed Heliport. After a few brief remarks District Governor John Bischoff called on President Ron to assist him in unveiling the commemorative plaque and declaring the Nightlit Heliport officially open.

John Raccanello from our Club was involved in the laying of blocks on site at the Island. Werner Pohl made a trip to PNG again and assisted in building Papatilai High School and a new administration and library building at Menus Island. We adopted a Sri Lankan boy, Nihal Gunatilaka through the Foster Parent Plan at the cost of \$252.00 per year. Club members and partners made bandages from old and new bedsheets for the Leprosy Mission in Indonesia. Our local Exchange Student, Janice Donnelly was with the North Bay Rotary Club (Ontario Canada). After 12 month with us, Yakko Taniguchi, the Exchange Student from Japan, returned home. 50 High School Students from Ulladulla travelled to Wollongong to visit the Careers Centre and TAFE College. We assisted the National Heart Foundation to organise a seminar on understanding hypertension, held at the Ulladulla Civic Centre. 2000 Four Way Test bookmarks were distributed to our local schools and community libraries. The ongoing projects; meals on wheels and mowing of the Legacy Unit lawns at Milton were attended to. The new picnic tables are well on the way to be installed near the new boat ramp at Ulladulla Harbour. The Steam Engine Project became a reality through Ted Walker's effort. Miss Dianne Snyders was selected to represent our Club at the RYLA Seminar at Batlow, The RYPEN Seminar conducted by Sussex Inlet was attended by Janelle Davies and Garry Clugston. Through Australian New Zealand Twin Exchange, we had the pleasure of hosting a delightful student from New Zealand Debby Thomas while our own student, Lisa Wallace went to New Zealand. Miss Dianne Campisi was our Nominee for the Rotary International Foundation Scholarship. Our Club also supported Dianne Snyders by donating \$100.00 as local entrant for the Miss Australia Quest. Miss Maryanne Gregory was entered as the Showgirl for our Club. Miss Sharon Craig was accepted to be our Rotary Princess for the Blessing of the Fleet Festival.

As in previous years BBQ meetings were held in January at Ringland's and Kendall's Farm. Jim Thomson again arranged the Calcutta Sweep hosted by the Mollymook Golf Club. Changeover Dinner was held at Hackett's Restaurant 25th June, 1984.

We supported RYPEN by sending Julia Snyders and Hilary Baptist to Tathra and also Joanne Crestani and Jacqueline Caston to Tharwa to attend the RYPEN Seminar. Past District Governor Werner Pohl reactivated the Milton Ulladulla Rotaract Club for the Clubs' 25th Anniversary. A bus load of high school students from Ulladulla made a trip to Wollongong University and Careers Centre. Nomination for the Milton Ulladulla Rotary Club's Courtesy Awards created a lot of interest in the district, the winners Sandra Loveday of Wood's Hardware, Louise Crestani of Ulladulla Travel and Linda Hemsworth of Matthews Service Station. Our Club also Purchased Electronic Teaching Aids for the use by students at the Ulladulla High School. The Melbourne Calcutta was successfully organised by Bob Snowdon. Once again our BBQ meetings in January were held at Kendall's and Ringland's. A progressive dinner was held for fellowship and fundraising. The Milton Ulladulla Rotary Club sponsored the following candidates; Cherie Southern (Milton Showgirl Quest) and Gillian Davis (Blessing of the Fleet Competition). A fish Raffle in the main street was profitable at Christmas time. Our Catering Van was used at the BBQ's, Blessing of the Fleet Carnival and Surf Carnival. The Club hosted the District 971 District Assembly in conjunction with our 25th Anniversary in May. Attendance exceeded 350 in all. Largely through the efforts of Peter German, we saw the launching of the Norman Symes Project to raise \$5000.00 through a guessing competition and a monster auction sale which proved very successful. Another project was change of position of the service club signs at each end of the Milton Ulladulla District.
