## President's Report

This year has been another busy year for our Club. We have enjoyed great social events, and a good range of guest speakers thanks to Glenn Rowen's hard work and Tony Fondacaro's social organisation. The film nights are always well supported and a fun night.

Thankyou to Wayne Fry and John Goggins for adding a bit of fun to the meetings with their Sergeant's Fine sessions. I would like to say a huge thankyou to Steve Hladio who has filled the International Director's role and has also organised the Army Band nights which have raised funds for our charity work. Steve has also been the site and stall co-ordinator for the Blessing of the Fleet. Many thanks to Issa Shalhoub for all the work he does behind the scenes making sure the Club runs smoothly and the President doesn't slip up.

John Payne in his role as Secretary has been a great support, even if he did go walkabout for a while, and thanks Ali for jumping in to help out in John's absence. Thank you to Emile Jansen, Rhondda Purtell and Andrea Tucker for looking after their respective portfolios very professionally. We have been involved in many community activities this year and again supported Rotary youth programs. We also ran our Business Awards night and a huge thankyou to Rhondda Purtell, Dick Crouch and Wayne Fry for making the event a huge success. The money raised has helped us make many worthwhile donations.

While talking about donations Tim Gregory's Christmas tree sales raised \$7480 this year which was split between the Hospital Renal Unit and Ulladulla Ambulance service. Well done Tim and Genelle. The club has several members who silently work behind the scenes keeping things rolling.

I would like to express my appreciation to Simon Brown, Jeff Franklin, Mikael Smith, George Chittick, Bill Harris, Trevor Schofield and Evie Young for their dedication to the running of our club and all our ancillary works, i.e the street banners etc. Thanks also to the team (too many to mention) who helped make the Car Boot Sale and Swap Meet a success again this year.

Listed below are the donations we have made during the year.

9-Aug	Donations	2030	Italian Earthquake Appeal
8-Aug	Business Awards	1500	National Heart Australia
6-Nov	Life Education	2800	Life Education
20-Nov	Donations	350	Milton Public School
11-Dec	Donations	150	St Mary's School
11-Dec	Donations	150	Ulladulla High School
20-Dec	Calcutta	1000	Independence Australia

21-Mar	Donations	3000	Bega Valley Shire Tathra Fires
3-May	Donations	500	Interp-last
3-May	Donations	300	Operation Cleft
10-May	Donations	500	RAWCS Malaria

## President's Report Cont.

21-May	Donations	1500	The Kids Cancer Gift Fund
6-Jun	Donations	900	RYPEN
13-Sep	Business Awards	1000	Milton Ulladulla United Hospital
6-Mar	Business Awards	6100	District Rural Fire Brigades
29-Mar Fund	Business Awards	6000	Dunn Lewis Youth Development
	<b>TOTAL</b>	<b>36260</b>	

We will also be making the following donations:

Rotary Foundation	\$2000
Polio Plus	\$2000
CareFlight Australia	\$2000
Davenport Cottage	\$1500
Rotary Against Malaria	\$2500
Shelter Box Australia	\$1000
<b>TOTAL</b>	<b>\$11000</b>

Even with all our generous donations the Club has a healthy bank balance to start the new year. Craig will no doubt be grateful that I did not completely drain the bank account. I still have to get even with Dick for talking me into being President, but that aside I have had a great year due to the good shape he left the club in and the massive support I have received club members. This is a great Rotary Club and has a tradition of doing good works for our local community, fundraising for charities and International projects. I have been very proud to be President this year and I wish Craig every success in his year.

## International Report

Noted as a quiet year for new Director, Stephen Hladio, Rotary International did not receive a notable level of activity or recognition, for which he accepts responsibility. As a result, Stephen will continue in the role with an intention to raise this club's profile in regard to Rotary International activities and focus.

There was an effort to acknowledge Rotary at an International level by the toasts conducted at the regular meetings with a bent towards the more obscure clubs, but particularly raising attention the many and varied methods that these organisations use to raise funds and focus, on Rotary.

The club did make significant donations to 'Interplast' and 'Operation Cleft'. There has also been an ongoing focus in regard to the continued fund raising and recognition of the Rotary International drive to rid the world of Polio. This focus is maintained by the continued efforts of Past President Clive Cross, who has been a continued driving force for this excellent cause.

## Vocational Service Report

The main event for the Vocational Service Committee in any Rotary year is the Rotary Club of Milton-Ulladulla Community and Business Awards. The event provides a showcase for the many outstanding businesses in our local area.

The very successful 2017 Award night was held at the Dunn Lewis Centre on Friday, 8 September 2016 and more than \$12,000 of the proceeds were distributed between the Dunn Lewis Youth Development Foundation and the local Volunteer Rural Fire Service to assist 6 local brigades (Conjola, Bawley Point, Cunjurong and Milton, Milton Bus and Depot Beach) with the service they provide to our local community.

The venue and catering were provided by Gayle Dunn of the Dunn Lewis Centre which contributed to the friendly atmosphere experienced by all who attended.

The quality of the entries made the decision very difficult for the judges but it was agreed that the Business of the Year Award be presented to Cupitts Kitchen (again) and to J & T Dale Plumbing. Since both businesses have won their business category for 3 years now they will be inducted into the Business Awards Hall of Fame at this year's Award Night.

The Pride of Workmanship Award for 2017 was presented to Danielle McCauley of Ulladulla Printing Service in recognition of her outstanding, professional and friendly service to Rotary's 2017 Community and Business Awards.

Progress is well under way for this year's Community and Business Awards, which is to be held on Friday, 7 September at the Dunn Lewis Centre with the emphasis again on the Community.

My thanks go to fellow Rotarians who have provided assistance throughout the year.

## Ulladulla and Districts Blessing of the Fleet Festival 2018

Once again this year the ball was a great success. The committee headed by Brian Morrison from our club put together a great event which was enjoyed by all who attended. The Ball went off very smoothly with 27 beautiful Princesses and their partners. This year the young people learnt their dance routines very quickly under the tuition of Marise Cornock and Gavin Dorrell who did another fantastic job. Eve Bosak once again gave the young Princesses the benefit of her deportment skills. Many thanks to all involved, thanks to Bob Milo for doing the photos for us again and to the Ulladulla Video Club for their work putting together video coverage. It is very satisfying to see the results of months of work and the smiles on the Princesses and their partners on the night.

Steve Hladio did another outstanding job taking bookings for sites, and arranging sponsorship. He may have lost some more hair but a job well done.

Leonie Smith put in an unbelievable effort this year to ensure we had more than enough sponsorship and I think we will be in good shape for next year. Leonie also lined up some quality entertainment for the day and entertainment for the children inside the Civic Centre. The parade was supervised by Dick Crouch, Wayne Fry, Brian Morrison, and Ali Tyquin from Rotary and Allan McDonald and Denise Fors from Lions.

Thanks to Eve and Myron Bozak for supervising the judges and escorting them to the Ceremony. The floats were very colourful and vibrant. A fantastic effort by all the Princesses and their families.

Special thanks to Rob Powell and Graham Day for commentating the parade, and special thanks to Graham Day for MC'ing the Blessing Ceremony and Princess Ball again.

Cathy Dunn once again looked after promotions for our event, on radio, newspaper, internet and Facebook.

Thanks to ALBOS (Bruce and Steve) for smooth traffic control and construction of the commentary stand.

The beach games were professionally run by our friends in Apex.

I take this opportunity to thank the other community groups who help with the crowd control during the parade including, Marine Rescue, SES & RFS units and Kellams Buslines.

## **Ulladulla and Districts Blessing of the Fleet Festival 2018 Cont.**

The brilliant Fireworks capped off a great day, well done Xtreme Fireworks.

The Festival is the major event for our Club and I would like to thank all Club members who gave up their Easter Sunday to help. A huge effort but the result is amazing.

This event puts Ulladulla on the map each year and the whole Club should be very proud of the professional way that it is run.

Well done Rotary Club of Milton Ulladulla.

Chairman - Ulladulla & Districts Blessing of the Fleet Festival Committee

## ACTIVITY REPORT FOR 2017-2018

In addition to performance of the usual duties of a Rotary member (manning at swap meet, BoTF, bouncing castle, ballast bag filling) my activities as CSD over the past twelve months have focussed on two primary targets:

- the “Under Didthul” Choral Competition; and
- the Warden Headland refurbishment as a response to male suicide at that venue.

### UNDER DIDTHUL:

Although conceived and implemented in more than ample time, the choral competition was stillborn due primarily to a failure to propagate promotional information to the target audience in good time - or, indeed, in any time - despite promises by third parties this would happen.

If this event is ever to be considered again in the future, it is essential that a reliable and professional public relations company be involved at early stages of planning so that the target audience is properly apprised of the event and its conduct.

- RCMU should revisit the concept, perhaps primarily as a festival with a competition element; and
- it is a very good idea and has the potential to raise a lot of money for our works and bring income into the community at a quiet time of the year (September).

I began planning the event in July 2107 after endorsement of the RCMU Board, and it was ready for entries in 14th February 2018. In that 30-week period I spent an average of 20-25 hours per week, for a total of about 600 hours. My work included event design and conception, formulation of rules and details, graphics and artwork, finding and securing venues, EOI and entry pro forma, licensing and regulators, and a lot of online research. Plus RCMU web site changes.

### THE LIGHTHOUSE FOUNDATION:

As a member of Rotary I was invited to join a local Suicide prevention group comprising

- Ulladulla Local Aboriginal Lands Council;
- a Milton-based Buddhist group;
- Ulladulla Community Mental Health;
- Ulladulla Mens health;
- the NSW Lands Department;
- Mission Australia;
- the Clark family; and
- Rotary Club of Milton-Ulladulla.

## Community Services Report

This group is not a legal entity and so can not operate bank accounts. Many of the members are constrained under their terms of employment (in government departments) so I had the idea of Rotary being a perfect conduit for these activities, and initiated the notion of the “Lighthouse Foundation” to bypass any stigma and negative associations associated with the word “suicide”. The word “Lighthouse” carries within it the notion of help and security which is something we want to offer. In summary, the Lighthouse Foundation is a Rotary initiative whose focus is mens health and suicide prevention. The Foundation will raise money to be able to provide interventions aimed at fostering the objective.

At the time of writing, the Foundation has attracted a \$2,000 donation from The Entertainers proceeds and monies earned from the RMC Duntroon band concert will also find their way into the account. I believe there are others lining up to donate also.

As a retired architect, I provided my design skills pro bono to the group by designing the refurbishment of the Headland and then preparing the contract documents. I believe the design was rather well received. I estimate the work took me about 50 hours - plus the time required to attend the group meetings and many phone calls and emails - say 60 hours in total.

*Emile Jansen.*  
*RCMU Community Service Director 2017-18*
