Report on meeting of 2 July 2019

Sergeant-At-Arms **Ian Tibbles** opened the meeting at the Dunn Lewis Centre, welcoming Members and Guests Sandy Langham, Gail Pollard, Mardi & Jorjah Drysdale, Gillian and Phoebe Drury, Caitlyn and Leah McPherson and Paris Saunders.

President Stephen Hladio spoke on the pleasure of attending the District changeover was very impressed with the changeover. Has some idea for the Club.

Ulladulla High School Students **Paris Saunders, Phoebe Drury, Caitlyn McPherson and Jorjah Drysdale** attended the **RYPEN** Camp held at Mogo in May spoke on their experience at the RYPEN camp and spoke on RU OK and on their various activities including team building exercises at RYPEN. All the girls wish to become Camp leaders in the future. All students gain friends, confidence and new found skills from the Camp.

Sandy Langham spoke on the idea of a Memorial Obelisk Project at the Civic Centre on the left-hand side as you drive in from the Highway. The memorial will be dedicated to members of the Emergencies service who have lost their lives in the line of duty.

The idea came from the loss of Alan Tull who died in the Kingman Fire August 2018 and John Black who was also died in fires five years ago. Both men lost their lives when the aircraft they were flying crashed. Sandy has put in grants for the cost of the memorial, still waiting to hear if the grant was successful.

The memorial will be made of granite and weighs 6 tonnes. Sandy has gained support from everyone who she has approached.

Thank you, Yvonne Young for the meeting's report.

End of report

Members, partners and any person over 18yo hosting a Youth Exchange student, regardless of how long they intend to host the student for, will need to have a WWCC and fill-in Form 3

THREE members haven't as yet provided their WWCC number.

We all need to have a WWCC, we will have a Youth Exchange Student amongst us soon. I will remind members by email when they need to renew theirs and how to renew online.

Thank you, John Hozack for printing the Bulletin, weekly, for those who are not on email.

'ROTARY CONNECTS THE WORLD'

RI President Mark Daniel Maloney, from [Rotary News](#)

Rotary allows us to connect with one another, in deep and meaningful ways, across our differences. It connects us with people we would never otherwise have met, who are more like us than we ever could have known. It connects us with our communities, to professional opportunities, and to the people who need our help.

... All of us are in Rotary together, whoever we are, wherever we are from, whatever language we speak or traditions we follow. We are all connected to one another — part of our communities and members not only of our clubs, but also of the global community to which we all belong.

This connection is what lies at the heart of the Rotary experience. It is what brings us to Rotary. It is why we stay. Please join your fellow Rotarians on this journey as ***Rotary Connects the World.***

Club Toast: "Good food, good fellowship and the privilege to serve."
