Ensure that the club gets the reignition of the projects/service that we do in the area.

There were a number of ideas for meetings including theme nights and just having a social night.

Treasurer Ross Wade gave members a brief over view of the accounts and how the accounts are managed within the clubs. An email with more explanation regarding this issue has been sent to members.

Thank you, Yvonne Young for the meeting's report.

End of report

Members, partners and any person over 18yo hosting a Youth Exchange student, regardless of how long they intend to host the student for, will need to have a WWCC and fill-in Form 3

THREE members haven't as yet provided their WWCC number.

We all need to have a WWCC, we will have a Youth Exchange Student amongst us soon. *I will remind members by email when they need to renew theirs and how to renew online.*

Please keep Brian Johnson in mind, if you can pick him up or take him back home, let Issa Know.

"Reach One, Keep One"

Below was published in my monthly Newsletter 'Rotary On The Move' Oct 2012 issue

"**Each Rotarian: Reach One, Keep One**," the membership slogan approved by the RI Board of Directors, is a reminder that every Rotarian is responsible for inviting new members and keeping clubs active and vibrant. It also stresses that retention is an essential component of a strong club and membership base.

To be an effective, relevant, and vibrant group within a community, a Rotary club needs to continually admit new members and retain current ones. A club's ability to serve the community is directly related to the strength and size of its membership base. A club that stays active encourages Rotarians to remain connected to the organisation.

Club Toast: "Good food, good fellowship and the privilege to serve."
