Welcome

The President, President Elect and members invite you to join us in celebrating our 60th Changeover night Tuesday 30th June 2020 held at the Dunn Lewis Centre.

To all our guests, friends, we welcome you and trust that you will enjoy the fellowship of this important occasion in our Rotary year.

President's Report

Well this will be hard to do quite frankly. I'm not too sure if I can say I had a 'cruisy' term or challenging, but it was, in my limited Rotary experience.....interesting. While the start got off normally enough the Bushfire Crisis and COVID have made for interesting times. Having taken over the stewardship of the club from President **Craig Saunders** I imagined a gentle transition into the role. I can honestly say that it was going very smoothly for quite a while and I was enjoying the challenges that the position brings, although none of them arduous. Probably the first big decision was the change of venue to the Dunn-Lewis Centre.

They were readily able to cater easily with our needs and presented us with a wide range of varied fare and did, when requested, provide some fantastic food on our theme nights.

In my year we also welcomed an exchange student for the Netherlands, **Helena Zuil**, which was only made possible with the goodwill of Rotarian **Murry Conran** and his family who made the offer to be the principal hosts. Other families then put up their hands to assist with hosting and I believe that Helena managed to get a diverse look at our area all of which was cut short due to COVID. As a result, Helena returned to her family early in 2020. To all those that assisted with looking after Helena: Thank you very much!

During the term I had the great pleasure in inducting several members of our community as Rotarians:

Rebecca 'Bec' Cameron
Kirily Dowling
Susan Hewitt
Louise Garrett
Jonathan Benyei
Christine Bell

Most were welcomed in the 'traditional' way and for a first for the club, Jonathan and Christine were welcomed via Zoom. But to all 'new' members: welcome.

Whilst the latter half of 2019 continued as normal 29 November saw us being requested, via a phone call to Rotarian and Treasurer **Ross Wade**, to provide support the agencies fighting the fires that were devastating Bawley Point. Our club members stepped up immediately and provided meals from the Termeil petrol station to all agencies involved.

Board meets every 4th Monday
5:30pm at DLC

President's Report Cont.

No one could predict what was to come. As the crisis expanded, even to the point where we had to evacuate and leave our BBQ gear behind, that catering support continued even as the responsibility moved to the SES and then to local clubs, where our members continued their support and assistance.

During this of course, the significant fund-raising event for our club, the sale of the Christmas trees, was still going ahead. Thanks again to Rotarian **Tim Gregory** and **Genelle Gregory** for their continued support for this annual activity. Another success for them and our club.

Once the full impact of what was occurring in our area was realised, Rotarian **Grant Schultz**, using his many contacts, started arranging for resources to be moved into our area. His leadership at this time is commendable and the support from every member of the club is acknowledged; as is the support of numerous members of the community that were needed to not only move and stack the tonnes of water and goods that arrived, but also for the distribution and management of the same. We all know the story from there.

We maintained the effort until it all eventually 'calmed' down. It was during this time that Rotarian John Hozack mentioned that during each president's tenure there is normally something of significance that occurs to challenge the President. I was glad to see mine come to an end.

So it seemed that we could now look at a recovery stage and how we could help our community during this process. Thanks to Rotarian **Emile Jansen** we held a very successful comedy night that helped not only take our minds of events but also raise some significant funds for our club's use. We also managed to host the very successful District Conference which brought a lot of attention to our area to also raise knowledge of how we had been impacted and what we might do to recover. We were also receiving significant donations to help support the recovery and such was the incoming effort Rotarian **John Goggins** stepped up to take stewardship of the management of these funds and to date, is still managing monies that are still coming in.

So all was starting to look good. Then COVID!

And here we still are.

So thank you all for your support during these interesting times and as we move forward still with the uncertainty of whatever COVID may yet bring, I wish the new board under the stewardship of the clubs first female President, Leonie Smith, all the best as we move into 2020/2021.

Thank you all.
Club President
Stephen Hladio, OAM

International Director Report

Well as everyone can imagine, with everything happening locally with the fires and nationally with Covid-19, any focus on international problems faded into the back ground a little. Also, with our major fundraising activities cancelled, we were only able to donate \$1,000 through Disaster Aid Australia to the people of Vanuatu, to help out after the devastation of Cyclone Harold.

So as the Rotary year comes to an end, it is hard to judge whether my role as International Director was successful, with not a lot of funds to distribute. Still I have enjoyed the role and look forward to handing the job over.

Thanks Rotarians for trusting in me.

Ian Tibbles

International Director

Community Service Director Report

Firstly, I would like to thank all the Community Services committee members and assistant Ed Zonneveldt for all their assistance during the year.

Community Service had work planned for Rotary Park – working bee, painting the building from outside of Mullala, though due to the Currowan “The Beast” Bushfire and COVID-19 these works were put on hold for 2020-21 year.

Thank you to all the members who assisted with the Steak bar at the Milton Show, once again it was a great success.

To all club members who assisted with the Bushfires either at staging posts feeding the Fires, Evacuation Centre and then onto Disaster Relief it was a trying time for everyone and it is awesome to see members assisting when our community needed us the most, the club truly served under the Rotary motto “Service above Self”, it makes one proud to be a Rotarian living in a resilient area.

Yvonne Young
Community Service Director

Club Service Report

A challenging year for everybody, with drought, bushfires, floods and the Covid19 pandemic!

The Rotary Club of Milton -Ulladulla have enjoyed a longstanding relationship with Ulladulla Tafe, providing support through apprenticeships and yearly awards.

Unfortunately, due to the restructuring of the Tafe and the reduction in services and courses available, apprenticeship assistance was not possible and sadly, it was the last year for the Rotary Club of Milton-Ulladulla Student of the Year Award.

Congratulations to Taleatha McFarlane for receiving the ‘Achievements in Career Pathways, Aboriginal Languages and Employability Skills.’ award. Taleatha received a certificate and an ABC Bookshop voucher from our Club.

Moving forward to fit with Tafe’s new model, future collaboration was going to look different, with possible workplace visits to Rotarian’s businesses, mentoring sessions and Rotarian Guest Speaker opportunities being the conversation with current Tafe management.

Another change this year was the running of the Business Awards.

After organising this community event for over eleven years, it was time to hand it over to the local Business Chamber.

The end of an era for our Club, the Business Awards being one of our major fundraising events.

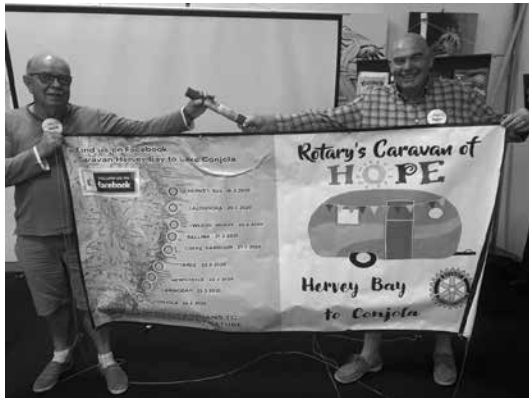

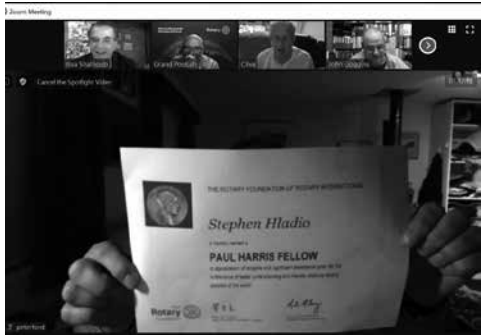

As the region was impacted by bushfires for several months and then hit with Covid19 lockdown for another couple of months, apprenticeships were cancelled for Ulladulla High School Students, along with school attendance.

Although a difficult year, I am confident the Rotary Club of Milton-Ulladulla will continue to work closely with Ulladulla High School and Tafe, reaffirming our support and offering new opportunities in line with the ever-changing dynamics of the education system.

I wish Rotarian Bernard Jones every success in the role of Vocational Services Director this upcoming year.

Leonie Smith
Vocational Service Director

Youth Report

1. EXCHANGE STUDENT

This year we were extremely grateful to have the company of the vibrant and bubbly Exchange Student Helena Zuil, from the Netherlands. Thank you so much to our Rotary families, Murry and Karri Conran, Steve Hladio and Ankie Kitsz and Clare and Doug Nyholm for showing Helena all the South Coast has on offer and hosting her during her stay.

Unfortunately, Helena's stay with us was cut short due to her urgent return journey home before the COVID-19 lockdown, however we are happy she has now returned home safely.

2. RYPEN

This year we had 5 students attend the RYPEN camp in Mogo, being Paris Saunders, Caitlin McPherson, Jorjah Drysdale, Alex Mason and Phoebe Drury. As always, the RYPEN activity aimed at 14-17-year-old students who show qualities of courage, persistence, sincerity and application in everyday life, which deserve further development was a success. Thank you to Yvonne Young for her unwavering support, organising this year's camp and for attending the luncheon on behalf of our Rotary Club.

3. RYLA

This year, the talented Jacob Webb from Ulladulla High School attend the Rotary Youth Leadership Awards - RYLA. This is an intensive leadership experience whereby young adults are able to hone their skills as leaders whilst making connections with other inspirational peers. Sadly, Jacob and his family lost their Conjola home in the bushfires and thankfully he was able to attend at the very last minute. Jacob gave a very lively and thorough report back to our club after the event.

We wish Jacob well in his future endeavours as a young community leader.

4. SEVEN WOMEN - BASE CAMP MT EVEREST TREK

The Seven Women organisation is a United Nations Rotary International Responsible Business Award recipient. An Australian founded organisation, Seven Women empowers marginalised women and children in Nepal through education and employment.

In May 2019, I trekked to Base Camp Mt Everest with 12 colleagues and decided to fundraise for this particular charity. We raised over \$4,000 in which every \$250 pays for one student to attend school for one year, including books and food. Thank you to our local club as a substantial portion of funds were raised each week from fines, donations, ticket sales. We certainly have made a considerable difference to so many people's lives.

Youth Report Cont.

5. DREAM CRICKET

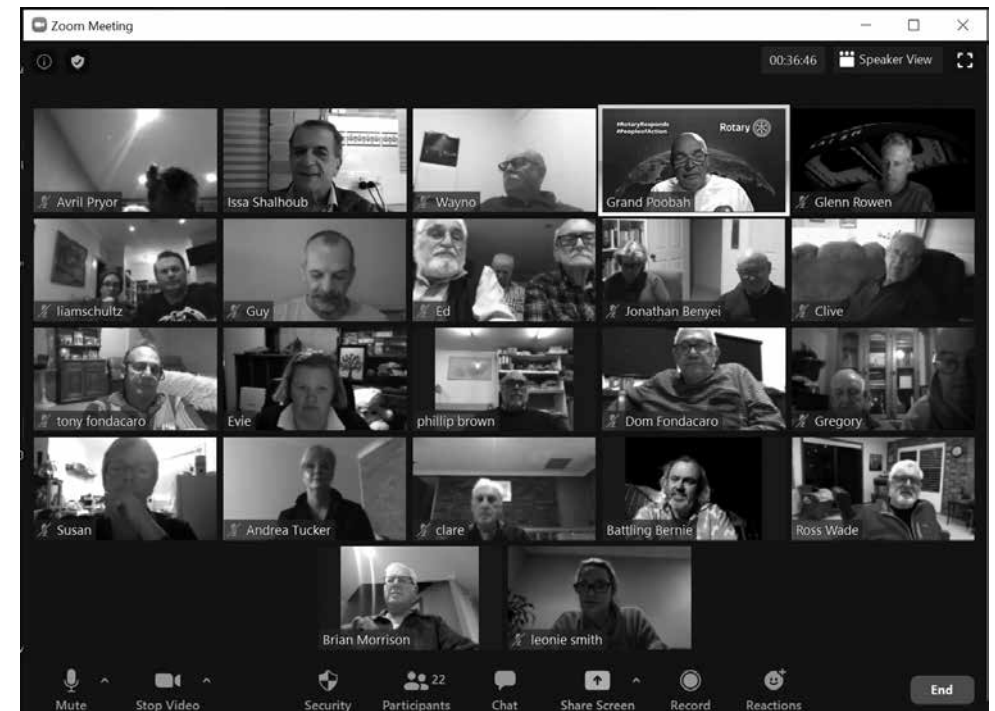

In October 2019 we facilitated yet another successful Dream Cricket Program at the Milton Public School. Many thanks to Ed Zonneveldt, Dale Wilford, Liz and Dom Fondacaro, Clive Cross, Simon Brown, Avril Pryor and Craig Saunders for helping out. All schools again attended another great day out on the field!

6. BUSINESS COMMUNITY NETWORK - BCN

On 18th October 2019, I ran the 4th BCN Event which was held at the Mollymook Golf Club. This is the 2nd year the proceeds raised were donated to the Rotary Club of Milton-Ulladulla. The BCN is an event run to bring the local business community together via networking for profitability, marketing, recruitment and support. This year we raised over \$5,000 for the Rotary Club.

Andrea Tucker

Youth Service Director

Blessing of the Fleet Report

This year's Ulladulla Blessing of the Fleet Festival was set to be the largest yet, with a two week Phoenix Festival planned to tack onto the end of it.

Successful in obtaining a \$50,000 grant from NSW State and Federal Government, under the Bushfire Community Resilience and Economic Recovery Fund, after our region was ravaged by the Currowan fire for over two months, killing three people and destroying over eighty nine homes in the Conjola area.

Most businesses had recorded an unprecedented sales drop of 70% - 80% over the summer period. Disastrous for a seasonal tourism region who largely rely on summer trade to carry them over the winter. Three major sponsors pulled out.

The timing of these events would also coincide with the typical diagnosis of PTSD, three months after a traumatic event.

The symbol of the Phoenix represents rebirth, strength and resilience.

The Rise of the Phoenix Concert was set to launch the Ulladulla Blessing of the Fleet and Phoenix Festival, with a twelve hour, 'Big Day In' concert. Over seventeen bands and performers were locked in to perform for free at this mega event. It was to be held in the new auditorium of the Dunn Lewis Centre.

Two weeks of various events were to follow, incorporating as many local businesses and individuals impacted by the fires as possible.

The Ulladulla Phoenix Festival was to include people of all ages, with events ranging from Family Fishing Day, Kids Disco, Restaurant Theme Nights, Comedy Night, Live Music, Pub Poetry, Beach Yoga and much more, boosting the local economy and morale. Promoting community connectivity and alleviating any feelings of isolation.

Unfortunately, Covid19 hit Australia in March and lockdown laws were enforced. Events were no longer possible. One month out from the Blessing of the Fleet Ball and after hundreds of hours of work, all events were cancelled or postponed.

At the time of writing this report, the Shoalhaven City Council have held onto the \$50,000 grant, essentially freezing it.

Covid19 lockdown restrictions are starting to ease and Ball Chair, PP Brian Morrison is hopeful of holding the Ball later in the year for the twenty eight registered Princesses.

After speaking with some parents and previous Chair, PP Phillip Brown OAM, it may be possible to hold a combined parade with the 2020 and 2021 Princesses at next year's Blessing of the Fleet Festival. Fingers crossed restrictions of mass gatherings will be lifted and the Festival can go ahead next year.

It is the first time since 1956 that the historic Blessing of the Fleet Parade and Festival have had to be cancelled due to a health pandemic.

Leonie Smith
Blessing of the Fleet, Director

Treasurer's Report

As at mid-June, 2020 the following account balances are attached:

Administration Account	\$24,976	
Donations Account	\$59,397	including: Special youth \$3,743 Fire support \$38,330
Lighthouse holding	\$10,000	
Mental Health holding	\$4,717	
Hervey Bay holding	\$13,991	
Shed Fund	\$1,250	
Long Term Deposit	\$ 5,381	Life Education
Long Term Deposit	\$ 10,415	Donations Rollover
Blessing of the Fleet	\$ 80,461	

During the past few months, the club has processed \$11,000 in support of local fire victims especially Lake Conjola Village.

When considering all programs, the club has managed to support external or local initiatives to the value of nearly \$25,000.

The past year has proven to be a very challenging one and whilst our normal programs have been curtailed, we have been able to maintain the buoyancy of the club and still be an agent of great support to our community.

The club is well placed to take up the many challenges confronting our community in the next twelve months.

I thank Steve Hladio for his leadership of the club during the past year of crisis and extend my best wishes to Leonie Smith as she takes up the challenge to lead the club into 2021 assisted by the incoming Treasurer Keith Bennett.

Ross Wade
Treasurer

The Bushfires

During the latter part of 2019 and into early 2020 many from the RCMU rallied behind the call to help support local communities during the horrendous bushfires which ravaged our area.

From early morning starts to help feed our wonderful SES and RFS personnel, to taking a pivotal role in the unloading, sorting, storing and the distribution of donated foodstuffs, clothing and more.

Since the start of the year the RCMU has taken an ongoing co-ordination role to ensure that, in addition to the proceeds of last Christmas trees' sales, the tens of thousands of dollars which have been received and pledged are being fully allocated to support those directly affected by the fires.

This has been / will be achieved, and is ongoing, in three ways:

1. By way of monthly 'annuity' payments to particularly needy individuals, couples and families for the next 12 to 18 months;
2. Particular 'lump sum' and 'in kind' assistance (including tools of trade and two caravans!); and
3. Currently being implemented, a system of monetary vouchers to be provided to those in need and which can be spent only at designated local businesses.

At time of writing this report, donations continue to arrive, and we have already received and extend our heartfelt thanks to ...

- The Hervey Bay Community in Queensland;
- The Rotary Club of South Bunbury, WA;
- K&R Fabrications;
- The Rotary Club of Caringbah;
- Southern Steel Group of Milperra and Bankstown;
- The Rotary Club of Wollongong South;
- The Rotary Club of Tamworth;
- The Rotary Club of Lindfield (soon to 'merge' with Kuringai); and
- The Uniting Church

Also, we are about to make a number of applications for District funds which were recently released to support local infrastructure bushfire recovery.

Report by
John Goggins

The Club meets every Tuesday at the Dunn Lewis Centre, 141 St Vincent Street Ulladulla.

Fellowship 6:00pm - Rotary Toast 6:30pm.

Apologies and Guests to Ed Zonneveldt;

TOAST

"Good food,
good fellowship,
and the privilege to serve".

ADVANCE AUSTRALIA FAIR

*Australians all, let us rejoice,
For we are young and free,
We've golden soil and wealth for toil,
Our home is girt by sea;
Our land abounds in nature's gifts,
Of beauty rich and rare;
In history's page, let every stage,
Advance Australia Fair.
In joyful strains then let us sing:
Advance Australia Fair.*

THE FOUR WAY TEST

... of the things we think, say and do:
Is it the TRUTH?
Is it FAIR to all concerned?
Will it build GOODWILL and
BETTER FRIENDSHIP?
Will it be BENEFICIAL to all concerned?

"ROTARY is an organisation of business and professional persons united worldwide who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world."
