**30 November 2021 meeting;**

President Tony Fondacaro welcomed members and guests Geoff Johns and Glenn Mathews (Guest Speaker).

President Tony would like members to put on their thinking caps for a community project for the New Year.

**Community Service Report Director Ian Tibbles** is waiting for a date for the Rotary Health Van to visit the area.

**Youth Service Director Avril Pryor;** spoke on the upcoming presentation days for the schools and this year instead of money going to the schools, book vouchers have been organised for students to receive.

Also looking into a suggestion from Batemans Bay R/C an opportunity for RYPEN either day or weekend to be conducted and hosted by one of the Coastal Clubs, the Youth Committee investigating the idea.

**Almoner Bill Harris Keith Bennett** you are in our thoughts & prayers.

**Guest Speaker Glenn Mathews from Mollymook Surf Life Saving Club** spoke to members on the role of the Surf Club patrolling 3 beaches during the summer period.

Glenn gave members a quiz testing the knowledge of members, lucky Glenn gave us permission to use Google.

Glenn gave members an insight on COVID and how the patrols have been conducted throughout this time. Surf Life Saving Clubs working through the health requirements and the changes COVID has bought.

As drowning have increased during the last year, these figures have caused an alarm through the surf lifesaving clubs.

People going to the beach this year are probably going to be asked to conduct First Aid on themselves due to COVID.

Glenn then spoke to members on how technology is changing the way in which beach patrols are conducted with the use of drones and boys sending signals to assist with shark patrols. Glenn spoke on the variety of technology used be surf lifesaving to assist with patrols and conducting first aid.

Glenn spoke on the tagging and releasing of sharks after the drum line alert has been set off.

**Thank you, Yvonne Young, for the meeting's report.**
