

Vale Tim Gregory

This past week our club has lost another much loved member in Tim Gregory. Tim was a true gentleman with a generous heart and a twinkle in his eye. Tim joined our Club on 26 March 1991 and was a Board Director from 1994-95 to 2004-05 and Club President in 1997-98. For many years Tim and his wife Genelle hosted our Club members over the Christmas break with a BBQ at their beautiful property. In 2002-03 the late Tim was recognised by PP Craig Cameron with a Paul Harris Fellowship and again in 2020-21 by PP Leonie Smith for the hundreds of thousands of dollars he raised through the sale of Christmas Trees grown on Englemere in Garrads Lane.

A large contingent of Club members attended Tim's funeral on Friday 15 July at the Milton Showgrounds. Both John Hozack and John Goggins gave moving eulogies for Tim. He will be sadly and greatly missed.

July is Rotary's New Leadership Month

Our first morning meeting was held last Tuesday 12 July at Breakers Cafe on Ocean Street, Mollymook. 18 Members and guests were in attendance and we had a great catch up over very good coffee. It was discussed that future breakfast style meetings could begin earlier (8:45am for an 8am start) with a choice of three breakfast meals - this would make quick and easy for Michael and his Chef Jake. The next breakfast meeting is planned for Tuesday 9 August.
