Bill Harris spoke on his recent trip to Port Lincoln (seafood capital of Australia) to visit his daughter. Bill likes to do make-ups while out of town, but the RC of Port Lincoln's meeting time-day didn't suit Bill, they have a Rotary Park which features all Past Presidents' names on a plaque each. Their club was formed in 1949 and has 54 members.

Harrison Treweeke, the guest speaker, is the UHS school captain, spoke on 'Young Men's Mentoring', which helps the male students to be more confident and get involved with school activities.

They meet weekly on Thursday and usually ten students attend, so far it has been involving year 11 students but now it is open to all the UHS male students. At their meetings they have guest speakers who talk about their experiences while growing up, they talk about respect, ethics, morals and communication amongst various subjects they discuss.

All members and guests felt that the future of our country is in good hands with youth like Harrison and wished him well in all his future endeavours. *Thank You Jo Jones for organising the chocolate for Harrison.*

End of report.
