**If a member nominated for a duty is unable to fulfil this function, or does not wish to do it,  
PLEASE arrange a replacement and let the Bulletin editor know.**

## Meeting 9 July 2024

President Ed Zonneveldt welcomed the members and the guests; Julie and Nikki Porter and the guest speaker Peter Coroneos. Pres Ed will email the subs invoices to all members.

- To encourage attendance, a raffle ticket will be given to members as they walk in; a lucky door prize winner will be announced weekly as well as the most weekly attendee and at the Changeover a member or two will get a **discount on the following year's dues.**
- Pres Ed gave the Club Service report.

Secretary Issa Shalhoub explained how the 45 Lotto Club works, it is voluntary to join and it costs \$50 per number for a chance to win \$100 13 times per year. **FIVE numbers** are still available to sell.

Please pay for your number(s) before the first draw, Monday 15 July 2024.

- Helpers are needed to put up and take down banners, Guy Porter volunteered, **THANK YOU Guy.**

- **Please give your apology to Louise Garrett**, rather than let Louise guess the numbers of attendees to give to the DLC, if your attendance is in doubt, please apologise and if you change your mind, please turn up as the DLC doesn't mind more attendees rather than less. Over the years the club has threatened to charge if you don't turn up, to my knowledge that isn't observed and only happened once, present members on the night agreed to restart charging.

Environment Director Craig Cameron asked members to bring bottle lids to the DLC for **Lids4Kids**.

Community Director Geoff Johns said that the club has received an Appreciation Certificate from Budawang, for our BBQ at their open day 2 June 2024.

- Simon Brown, Dale Wilford, John Payne and Geoff Johns worked on the Jumping Castle trolley, new castors and levelled it.

- Geoff talked about the Middle East Day.
- Lots of members' help is needed for the 10 and 11 August BBQ at Bunnings.

**Louise Garrett** asked the members if we should keep the BOF Princess Ball at the DLC, rather than take it to the Civic Centre, all members were in support and thanked Louise for her passionate involvement with the Ball. **THANK YOU, LOUISE.**

**John Hozack** introduced our **guest speaker Peter Coroneos**, his second visit to our club, the first was in July 2018, Peter resides locally. Peter started his career as a solicitor then science teacher. Peter is very keen on meditation.

Peter is very much involved with cyber security and attack prevention. The Trojan War, 3,300 years ago, when a wooden horse was built and soldiers hid inside it, deception and manipulation.

Peter spoke on phishing emails, praying on exploiting our trust and getting into critical infrastructure. Criminals mainly from Russia, China, North Korea and Iran, countries which protects criminals.

Criminals can intercept emails and change bank accounts details. AI can be very helpful in chasing the criminals, but they now use AI and can clone your voice and image to produce false videos.

Peter asked us to be well informed but not alarmed, for more information you can look up [acma.gov.au](http://acma.gov.au) and [cyber.gov.au](http://cyber.gov.au) for advice and how not to get hacked.

**Simon Brown** thanked Peter for an extremely informative talk.

Raffle winner: Anne-Maree Kitchener.

Lucky door prize: John Payne.
