Message from 2026-27 RI President Olayinka Hakeem "Yinka" Babalola, a member of the

Rotary Club of Trans Amadi in Nigeria: *My dear friends,*

As members of Rotary, we are all united across cultures, languages, and communities. Together, we share a responsibility not only to bring about change but also to ensure that the effects endure.

That is why this year, we are called to Create Lasting Impact.

When we work alongside communities, invest in people's skills and leadership abilities, and measure our progress, we ensure that positive changes can continue in our communities and in ourselves long after a single project ends.

When we focus our efforts and work together, we can maximize our impact in the year ahead.
