Dear community sponsors,

A quick note to let you know that ORRCA Mid-South Coast POD are now the proud owners of a DJI Mavic 4 Pro drone.

We're currently organising CASA registration and some flying lessons after which we'll be able to deploy it for data collection and/or whale entanglements as and when required in our local area.

Thank you once again for your support. We couldn't have achieved this result in such a timely manner without your support.

Warm regards, Marianne - POD Leader Mid-South Coast
