Guest Speakers Nat Nicastrì and Neil Parker spoke on Vinnies, which started in Paris in 1833, by Frédéric Ozanam and companions, started in Australia in 1854, now they are in 150 countries.

All money raised from their shop goes back to the needy in the community. Neil has been involved for more than 20 years, has an office upstairs from the shop, weekly on Mon, Wed and Fridays, for three hours each day, a dozen of community members are triaged and asked on what they need; food, assistance with transport, help with relocating, housing for the homeless, clothing and furniture, some get a voucher to buy food and they have a pantry for people to help themselves.

Vinnies also enable individuals to make the right decisions by offering resources and information.

Over Christmas Vinnies have hampers to give to those in need. Vinnies always need volunteers, donations to the society are tax deductible. Australia is the only country which calls St Vincent de Paul Society, Vinnies.

Lucky Door Prize: Phil Brown.

Raffle winner: Dale Wilford.
