Five-minuter speech given by **Emile Jansen**. Emile spoke on the Phoenician/Greek/Roman and Alexander the Great and how if the conflict had gone differently it would have changed the course of history. Emile gave an interesting and in-depth account of this period in history during this BC period. Then Emile stated that history seems to repeat itself time and time again.

Issa Shalhoub then gave the members a drive through the new Club website, after watching an EndPolio video from Rotary International.

Thank You Yvonne Young for the meeting's report.

End of Report.

Thank You John Hozack for generously printing the Bulletin, every week for the last few years, for the members not on email and for the guests.

Volunteer writer(s) needed, please.

Recently I haven't sent any articles to the Times nor to the Local Express, because I have been sending a weekly article for the last four to five years and I need a break.

We are missing out on valuable exposure (publicity), which in turn can entice community members to join our Club after seeing or reading about what we do, our local achievements, our goals and what we do for our youth, for example. I have been quite busy with publishing the Bulletin, Facebook, Website, record keeping, writing the yearly history of our Club, organising and publishing the Club Changeover Bulletin, photographer, preparing and printing certificates-awards, sending emails to members when asked, Christmas Tress advertising, monthly publishing-editing 'Rotary On The Move' ... I need a break.

We have around 40 guest speakers per year plus events such as the yearly ones BOF, Swap Meet, Business Award, ... these speakers and events are not shared with the local communities for the lack of publicity.

With our current membership it will take each member to write ONE article for the Times and Local Express per year, all we need is a couple of paragraphs, without worrying about spelling-grammar, send your article to me and I forward it on with a pic that I will continue to take for the website, Facebook, our records, Changeover Bulletin ...

Do we need to have a roster or will a volunteer or volunteers put his or their hands up?

Please consider my suggestion and let me know.

If you have any other-different suggestions, please let me know.
