"PRESIDENTIAL MESSAGE"

September's message, Barry Rassin, RI President 2018-19

... The world needs Rotary, and Rotary needs strong clubs and engaged members in order to do more good. It is our responsibility – yours and mine – to make sure everyone who shows an interest in joining Rotary gets an invitation. Make use of the Membership Leads tool at Rotary.org, which helps people who are interested in joining Rotary connect with a club that's right for them. And let's ensure that every member has a reason to stay. By building strong clubs that engage in meaningful projects and have fun along the way, we provide value to our club members that they cannot find anywhere else.

... I challenge you to invite leaders of all ages, men and women, who are looking for a way to give back. By doing so, you will *Be the Inspiration* in your community and help Rotary continue to do good in the world.

Club Toast: "Good food, good fellowship and the privilege to serve."
