Meeting's Report for 12 March 2019

President Craig Saunders welcomed members and guests Avril Pryor and guest speaker Phil Smart.

International toast to Rotary Club of Hamburg hosting the 2019 Rotary International Conference.

Youth Director Andrea Tucker spoke on a new program at Dunn Lewis where students are able to work for 3 hours a week and the employer invoices to Dunn Lewis Centre contact Andrea for further details.

Community Director Emile Jansen stated to the meeting had a great evening on Saturday night at the Showgirl Presentation night where Emile sash the Rotary sponsored Showgirl contestant Catlin Lee.

Treasurer Ross Wade informed members that donations from Christmas Trees and Business Awards being distributed to various organisations in the area, including NSW Ambulance – Ulladulla Branch and Dunn Lewis Centre.

Vocational Director PP Dick Crouch suggested to members inviting organisations that the Club has assisted in the past to speak on their project.

President Craig proposed to members the **RYPEN** camp it is a possibly that the Club could run a camp in the future, a **social wine night** and regretfully announced the **resignation of Judith Sloane** due to her husband ill health we wish all the best for a speedy recovery Bob.

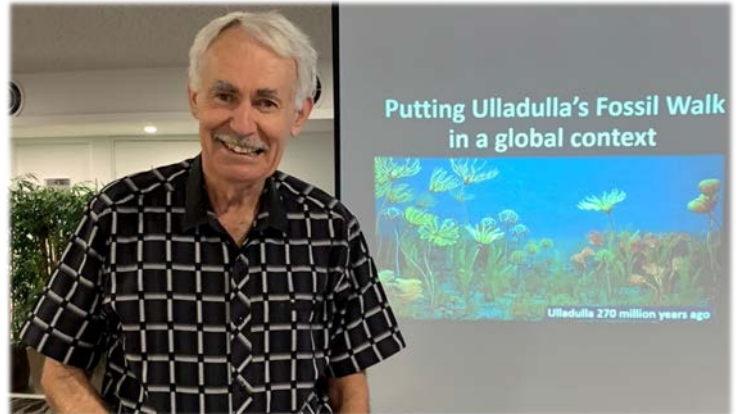

Almoner Bill Harris; Reg Sawyer has had a stroke and **Maisie Bennett** to undergo a hip replacement on Tuesday 26th February wishing both a speedy recovery. **Zilma Turnbull** is well, even contacting the Almoner Bill Harris during his recent period of ill health to check up on him.

Guest speaker Phil Smart. Phil has been touring around the world for the past twelve months doing different fossils tours. Phil spoke on how fossils are created and assist with the evolution of the world. Fairly remote areas in which fossils can be found. Limestone caves 2 different types of fossil can be found in limestones cave.

Riversleigh in the NW Queensland is the best area in Australia to find fossils.

When doing a guided fossil tour, participants learn about evolution, how fossils are made, how fossils are created. Phil spoke on where there are guided fossils walks on the coast in the world, Jurassic Coast in England and Ulladulla NSW Australia.

Phil's plan for the fossil walk in Ulladulla is to keep expanding. Phil has found that TripAdvisor is a great way of getting reviews from participants in the guided walk. Phil has used many avenues over the years to promote the fossil walk in Ulladulla though it hasn't been an easy road though Phil and his team of volunteers are hard at work, planning on improvement and working at new ways to promote the fossil walk in Ulladulla.

Thank You Yvonne Young for the meeting's report, to John Hozack for printing the Bulletins for the guests and members not on email and to Avril Pryor for her guest speaker's report for the Times-Local Express.

End of Report
