President's Report

Thank you to all our members, their partners and friends for supporting our club's endeavours over the past 12 months. A special thank you to our amazing Board and those committees that run our events that make our club so busy.

From when I attended the District Conference in March 2018 to tonight, my understanding of the depth of Rotary and especially the work of our club in our community make me proud to be a Rotarian and I hope I may have made my father Joe proud.

You all know it takes a lot of people to run the events we have taken on.

Blessing of the Fleet, Business Awards, Swap Meet, Calcutta, Milton Show steakhouse, Dream Cricket, Bowel Scan, our involvement with the Relay for Life, RYPEN, the Festival of Disabilities, Driver Ed, the Farmers Festival and Drought Aid.

From Tim and Genelle Gregory's Christmas Tree sales, to our weekly raffle, from organising guest speakers to organising social events. This club has an incredibly busy agenda, and we could never achieve any of the above without OUR PEOPLE.

We have gained new members this year welcome Jo Jones, Linda Eadwards, Murry Conran, Guy Porter, Clare Nyholm, Gareth Davies and April Pryor. They and their families bring fresh energy to our club. All have thrown themselves into the Rotary programs, and reduced the average age of the Club.

Our biggest undertaking each year is our ownership of the Blessing of the Fleet Princess Ball, Parade and Festival. Thank you, Phil and your team, including Leonie Smith, Wayne Fry, Stephen Hladio, Ross Wade and John Payne. A special thank you to Brian Morrison and Denise Fors who make the Princess Ball such a memorable night.

A special tribute to Phil Brown, Past President Phil who has been recognised with an OAM announced this last Queen's Birthday 2019 Honours List, well-deserved honour to Phil and recognition of our Club's standing in our community.

Our club is strong. Thank you to Issa Shalhoub, Ali Tyquin, Ross Wade, John Payne, John Hozack and Yvonne Young who made sure our Club's day today affairs are in order. Issa and Ali have shown how strong they are in carrying me for the last year.

Thank you, Tony Fondacaro, for the social program you have run, from barefoot bowls to the World Stockhorse Championships at Willinga Park and the Beatles extravaganza, we have had fun.

Thank you, Bernard Jones, for always finding us interesting guest speakers. Thank you, Rob Powell, for maintaining humour within our Club with your fine sessions. Bill Harris for reporting on the health matters of past and present members and friends. Ed Zonneveldt who sits at the front desk every week with Ross Wade thank you. Gareth Davies and Ian Tibbles for your efforts with refreshing Amber's House for Yurana. The team who filled sand bags for Yumaro.

President's Report Cont.

No matter what tasks, or how late the notice, we always seem to fill work rosters, we support our local tribe like no other organisation.

I thank you all for making our club strong, dynamic and respected.

I could read the back of our Club list and name every member and thank them for their own individual participation but we would be here all night.

To Stephen Hladio and the incoming team, enjoy your twelve months, it will be hectic, but never daunting as our team is strong.

Thank you ALL.

2018-19 President Craig Saunders

Vocational Service Report

This year we have concentrated on Business Awards programme. Our Rotary club has had a long association with the Milton Ulladulla Times newspaper in organising the annual awards and their participation and sponsorship has ensured its continual success.

There is a very large amount of work in organising the awards each year, chasing sponsors and entries from local businesses and community groups. To this end a very big thankyou has to go to Rhondda Purtell and Wayne Fry who spent many hundreds of hours with sponsor and businesses to make the presentation night a fun and successful event.

For the past two years the event has been held at the Dunn Lewis Centre and Gayle Dunn has always been extremely helpful and obliging, nothing has been too much trouble for her from the presentation of the venue to the meals plus allowing Rotary to run the bar services. A huge thankyou to Gayle and her staff.

Bev Nicholas spent many hours with sponsors and did a wonderful job each year decorating the venue with a lot of help from husband Steve.

Freddie Simon has done a great job marketing the awards and comparing the night. Thank you, Freddie.

To all the committee, thank you for your input and help, both before, during and after the awards night.

Unfortunately, there will not be an awards night this year due to a number of reasons, namely the viability, club interest and the fact that the local business chamber, in conjunction with the Illawarra Business Chamber want to take over the event.

To incoming president Stephen Hladio I wish you all the best and hope you may have some success in ensuring a revived business awards.

Dick Crouch. Chairman

International Service Report

During the club year of 2018-19 a focus was kept on International clubs and general Rotary activities during the club's toasts to these organisations and activities. These acknowledgments were as diverse as a club's birthday to bringing focus to clubs that refurbished bikes to encourage physical activity within underprivileged youth in their respective area to highlighting education programs for young woman in areas where it has not normally been encouraged to do so.

Staying within the normal parameters of our club's focus on international projects the club donated monies, and amounts, to the following:

Clean Water Project - \$720
Polio - \$1,050
ShelterBox - \$1,050
Operation Smile - \$720
Rotoplast - \$720
RAMS - \$450
Schools for Freedom - \$750

Total expenditure is:

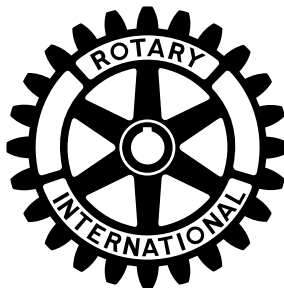

\$5,460. 00

Whilst within themselves these amounts don't appear to be significant, within the projects they are able to make a genuine and positive impact.

This year I brought in a new focus with Schools for Freedom. I would encourage any of you reading this to have a look at its works and consider making a donation. A little really does go a long way.

As I transition to President of the club, a role that I look forward to, I wish the incoming International Director, Rotarian Ian Tibbles, all the best in the role. I think he will be an excellent representative.

Stephen Hladio
International Service Director

Community Service Director (CSD)

ACTIVITY REPORT FOR 2018-2019

In addition to performance of the usual duties of a Rotary member (at swap meet, BoTF, bouncing castle, ballast bag filling) my activities as CSD over the past twelve months have had two targets:

- the Warden Headland refurbishment; and
- devising some form of safe overnight accommodation for local rough sleepers.
- I've also been trying to get some sort of traction with a womens' shelter.

THE LIGHTHOUSE FOUNDATION:

Rotary was invited to join a local Suicide prevention group comprising

- Ulladulla Local Aboriginal Lands Council;
- a Milton-based Buddhist group;
- Ulladulla Community Mental Health;
- Ulladulla Mens health;
- the NSW Lands Department;
- Mission Australia;
- the Clark family; and
- Rotary Club of Milton-Ulladulla.

And Phil Brown and I volunteered.

This group cannot have or operate bank accounts; and members are government employees and constrained under their terms of employment from doing anything much other than discuss issues. To help them out, Rotary established the “**Lighthouse Foundation**” to be an enabling legal entity.

“Lighthouse” was chosen to bypass stigma and negative associations attached to the word “suicide”. The word carries within it the idea of help and security, which is something we want to offer. In summary, the Lighthouse Foundation is a Rotary initiative whose objectives are mens' health and suicide prevention, and its chairman/CEO is Emile Jansen. The Foundation will raise money to provide interventions and implement actions aimed at fostering the objectives.

During the last year the Foundation attracted a \$2,000 donation from The Entertainers; \$10,000 from a local person who wishes to remain anonymous; and \$1,500 from a school boy named Brett Saad who raised the amount on his own initiative and for this purpose. The catalyst for these donations was an article in the Times about the project and Rotary's involvement.

Despite repeated attempts on Rotary's part, there has been little or no progress on this project over the last twelve months due chiefly to the intransigent and intractable nature of the NSW Land Department which has control over the area and whose local representative has rejected our work.

There is some talk that Shoalhaven Council might assume carriage of the project but there is little evidence of this actually occurring. Should they do so, it would appear that Rotary's design contribution will again be discarded and they will “do their own thing” their own way. It seems they would like us to give them the contents of the Lighthouse Foundation account.

Community Service Director (CSD) Cont.

ROUGH SLEEPERS ACCOMMODATION

A design for a modified transport container to accommodate 8 'guests' together with a bathroom with hot and cold water and a toilet has been prepared. The cost is estimated at \$15-20,000.

The intention is that Rotary will provide the unit and an "on the ground" charity will operate and maintain it. The Salvation Army has had the idea and plan under consideration for over a month, and have as yet to provide actionable feedback. It is proposed to approach St Vincent de Paul and perhaps Mission Australia, if the Sallies are dilatory or not interested.

Emile Jansen.

RCMU Community Service Director 2018-19

Ulladulla and Districts Blessing of the Fleet Festival 2019

The ball was a huge success and a spectacular night. The committee headed by Brian Morrison from our club put together a great event which was enjoyed by all who attended. The Ball went off very smoothly with 23 beautiful Princesses and their partners. Marise Cornock and Gavin Dorrell did another fantastic job teaching the young people their dance routines. Many thanks to all involved, thanks to Bob Milo for doing the photos for us again and to the Ulladulla Video Club for their work putting together video coverage. It is very satisfying to see the results of months of work and the smiles on the Princesses and their partners on the night.

Steve Hladio did another outstanding job taking bookings for sites, and arranging sponsorship. He had to juggle this with his new job but managed to do a stirring job well done Steve.

Leonie Smith put in an unbelievable effort again this year to ensure we had more than enough sponsorship at the same time as preparing for her own wedding. Leonie also lined up some quality entertainment for the day and entertainment for the children inside the Civic Centre. Great job by the soon to be "Chairperson".

The parade was supervised by Dick Crouch, Wayne Fry, Brian Morrison, and Ali Tyquin from Rotary and Allan McDonald from Lions. All went very smoothly and the floats were fantastic.

Thanks to Clare and Doug Nyholm for supervising the judges and escorting them to the Ceremony. The floats were very colourful and vibrant. A fantastic effort by all the Princesses and their families.

Special thanks to Rob Powell and Graham Day for commentating the parade, and special thanks to Graham Day for MC'ing the Blessing Ceremony and Princess Ball again. Thanks to ALBOS (Bruce and Steve) for smooth traffic control and construction of the commentary stand.

Thanks also to Ulladulla Buslines, Kellams buses and the ExServos Club for donating their buses to be used as blockades.

The beach games were professionally run by our friends in Apex. The brilliant Fireworks capped off a great day, well done Xtreme Fireworks. The Festival is the major event for our Club and I would like to thank all Club members who gave up their Easter Sunday to help. A huge effort but the result is amazing.

This event puts Ulladulla on the map each year and the whole Club should be very proud of the professional way that it is run.

Well done Rotary Club of Milton-Ulladulla.

Chairman – Ulladulla & Districts Blessing of the Fleet Festival Committee

Youth Report

BUSINESS COMMUNITY NETWORK - BCN

Tucker Real Estate runs the Business Community Network - BCN Event each year. Last year the proceeds were donated to Rotary Youth being approximately \$9,000. The event is being held again in October 2019 with proceeds once again being donated to the Rotary Club of Milton-Ulladulla.

RYPEN

This year we were fortunate enough to be able to sponsor students to two RYPEN camps, one in September 2018 and a second group in May 2019. A total of 8 students attended the RYPEN program this year.

DREAM CRICKET

In November 2018 and again in May 2019 the Rotary Club of Milton-Ulladulla supported Dream Cricket. Some of our members attended these days to help students with special needs, giving them an opportunity to play cricket activities.

SEVEN WOMEN PROGRAM

As part of my trek to Base Camp Mt Everest our group raised funds for the Seven Women Program in Nepal. This program empowers marginalized women and children through education and employment. The Seven Women Program have won the Rotary International Responsible Business Award and we raised approximately \$3,700 towards the cause.

STUDENT COACHING PROGRAM

The Ulladulla High School ran a pilot program whereby Year 9 Students were mentored to coach Year 7 Students. The initiative is 2-fold; the leaders develop their leadership and coaching skills and the coachees are assisted to achieve their goals and aspirations. Our club donated \$3,500 to enable the school to run this program for another year.

ROTARY YOUTH EXCHANGE

We have an inbound student this year who will be joining us in July.

100 PEACE POLES

To help celebrate 100 years of Rotary Down Under 1921- 2021 we have decided to become involved in a joint Centenary program, 100 Peace Poles. Students are invited to visit the Canberra Rotary Peace Bell and then receive their own Peace Pole in order to spread the word of peace. This will take place with students from years 5 and 6 from Ulladulla and Milton Primary Schools

SCHOOL BIKE PROJECT

We had Ice Schaap from the Ulladulla High School talk at a Rotary meeting regarding seeking our support to purchase 2-3 bikes and some tools for this project. Approximately \$2,000 would purchase 2 quality bikes and some necessary tools.

VARIOUS SUPPORT

I have attended various youth events throughout the year at both the Ulladulla High School and Milton Public School for Academic Awards and Friends of the School Luncheons as the Rotary guest attendant.

Andrea Tucker
Youth Service Director
