'2021-22 RI PRESIDENT SELECTED'

From Rotary Weekly, 9 August 2019

Shekhar Mehta, of the [Rotary Club of Calcutta-Mahanagar](#), West Bengal, India, is the selection of the Nominating Committee for President of Rotary International for 2021-22. He will be declared the president-nominee on 1 October if no challenging candidates have been suggested.

Mehta acknowledges that current membership trends are a challenge and says that membership development should be Rotary's highest priority. He believes that focusing on regional plans, successfully transitioning Rotaractors into Rotary clubs and increasing diversity and female members could yield a 5 percent net growth in membership each year.

"A major brainstorming is needed to find effective solutions suited to different areas of the world," says Mehta. He adds that regional ethos and culture have to be taken into account to find localized solutions, as "one size does not fit all." He believes Rotary can extend to new geographical areas and countries.

Members, partners and any person over 18yo hosting our Youth Exchange student, regardless of how long they intend to host the student for, even just an even overnight stay, will need to have a WWCC and fill-in Form 3 and their names and forms submitted to District. Please ask Issa for the form.

THREE members haven't as yet provided their WWCC number.

We all need to have a WWCC, we have a Youth Exchange Student amongst us.

I will remind members by email when they need to renew theirs and how to renew online.

Club Toast: "Good food, good fellowship and the privilege to serve."
